Bishop Noll High School

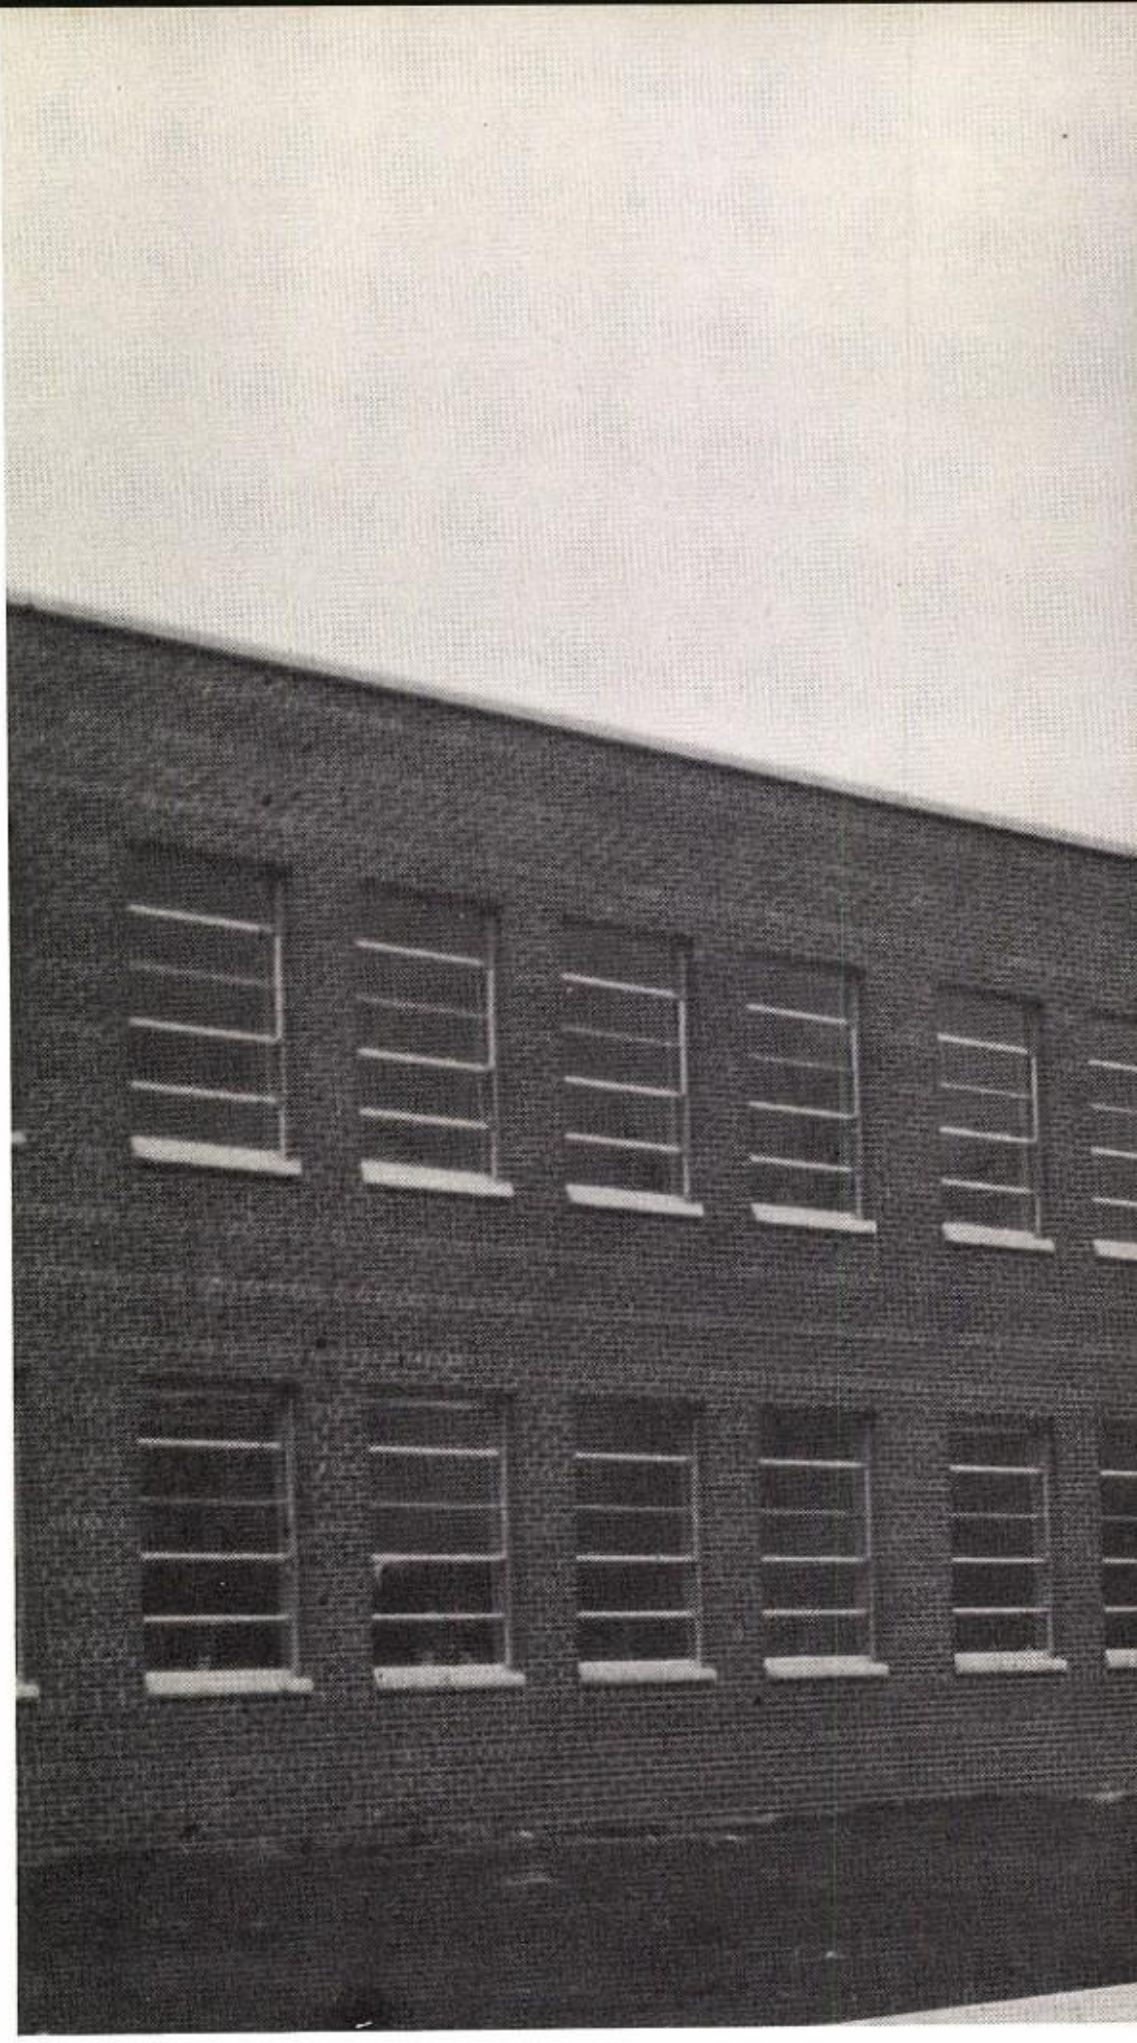
Bishop Noll High School, center of Catholic secondary education in the Calumet area for thirty-five years, is the home port for students who come from a wide area. With each year not only the student enrollment but also the prestige of the school has advanced in every field of competition to the extent that Bishop Noll High School is now numbered among the largest schools in the area.

With a meager beginning in the classrooms of St. Mary's Parish, East Chicago, Catholic Central High School, as the school was formally called, originated in 1921 with forty students under the tutelage of the Poor Handmaid Sisters of Jesus Christ. In 1923 Rev. P. J. Schmid was appointed director of the newly founded high school, and a building program was begun at that time at the present site of the school in Hammond.

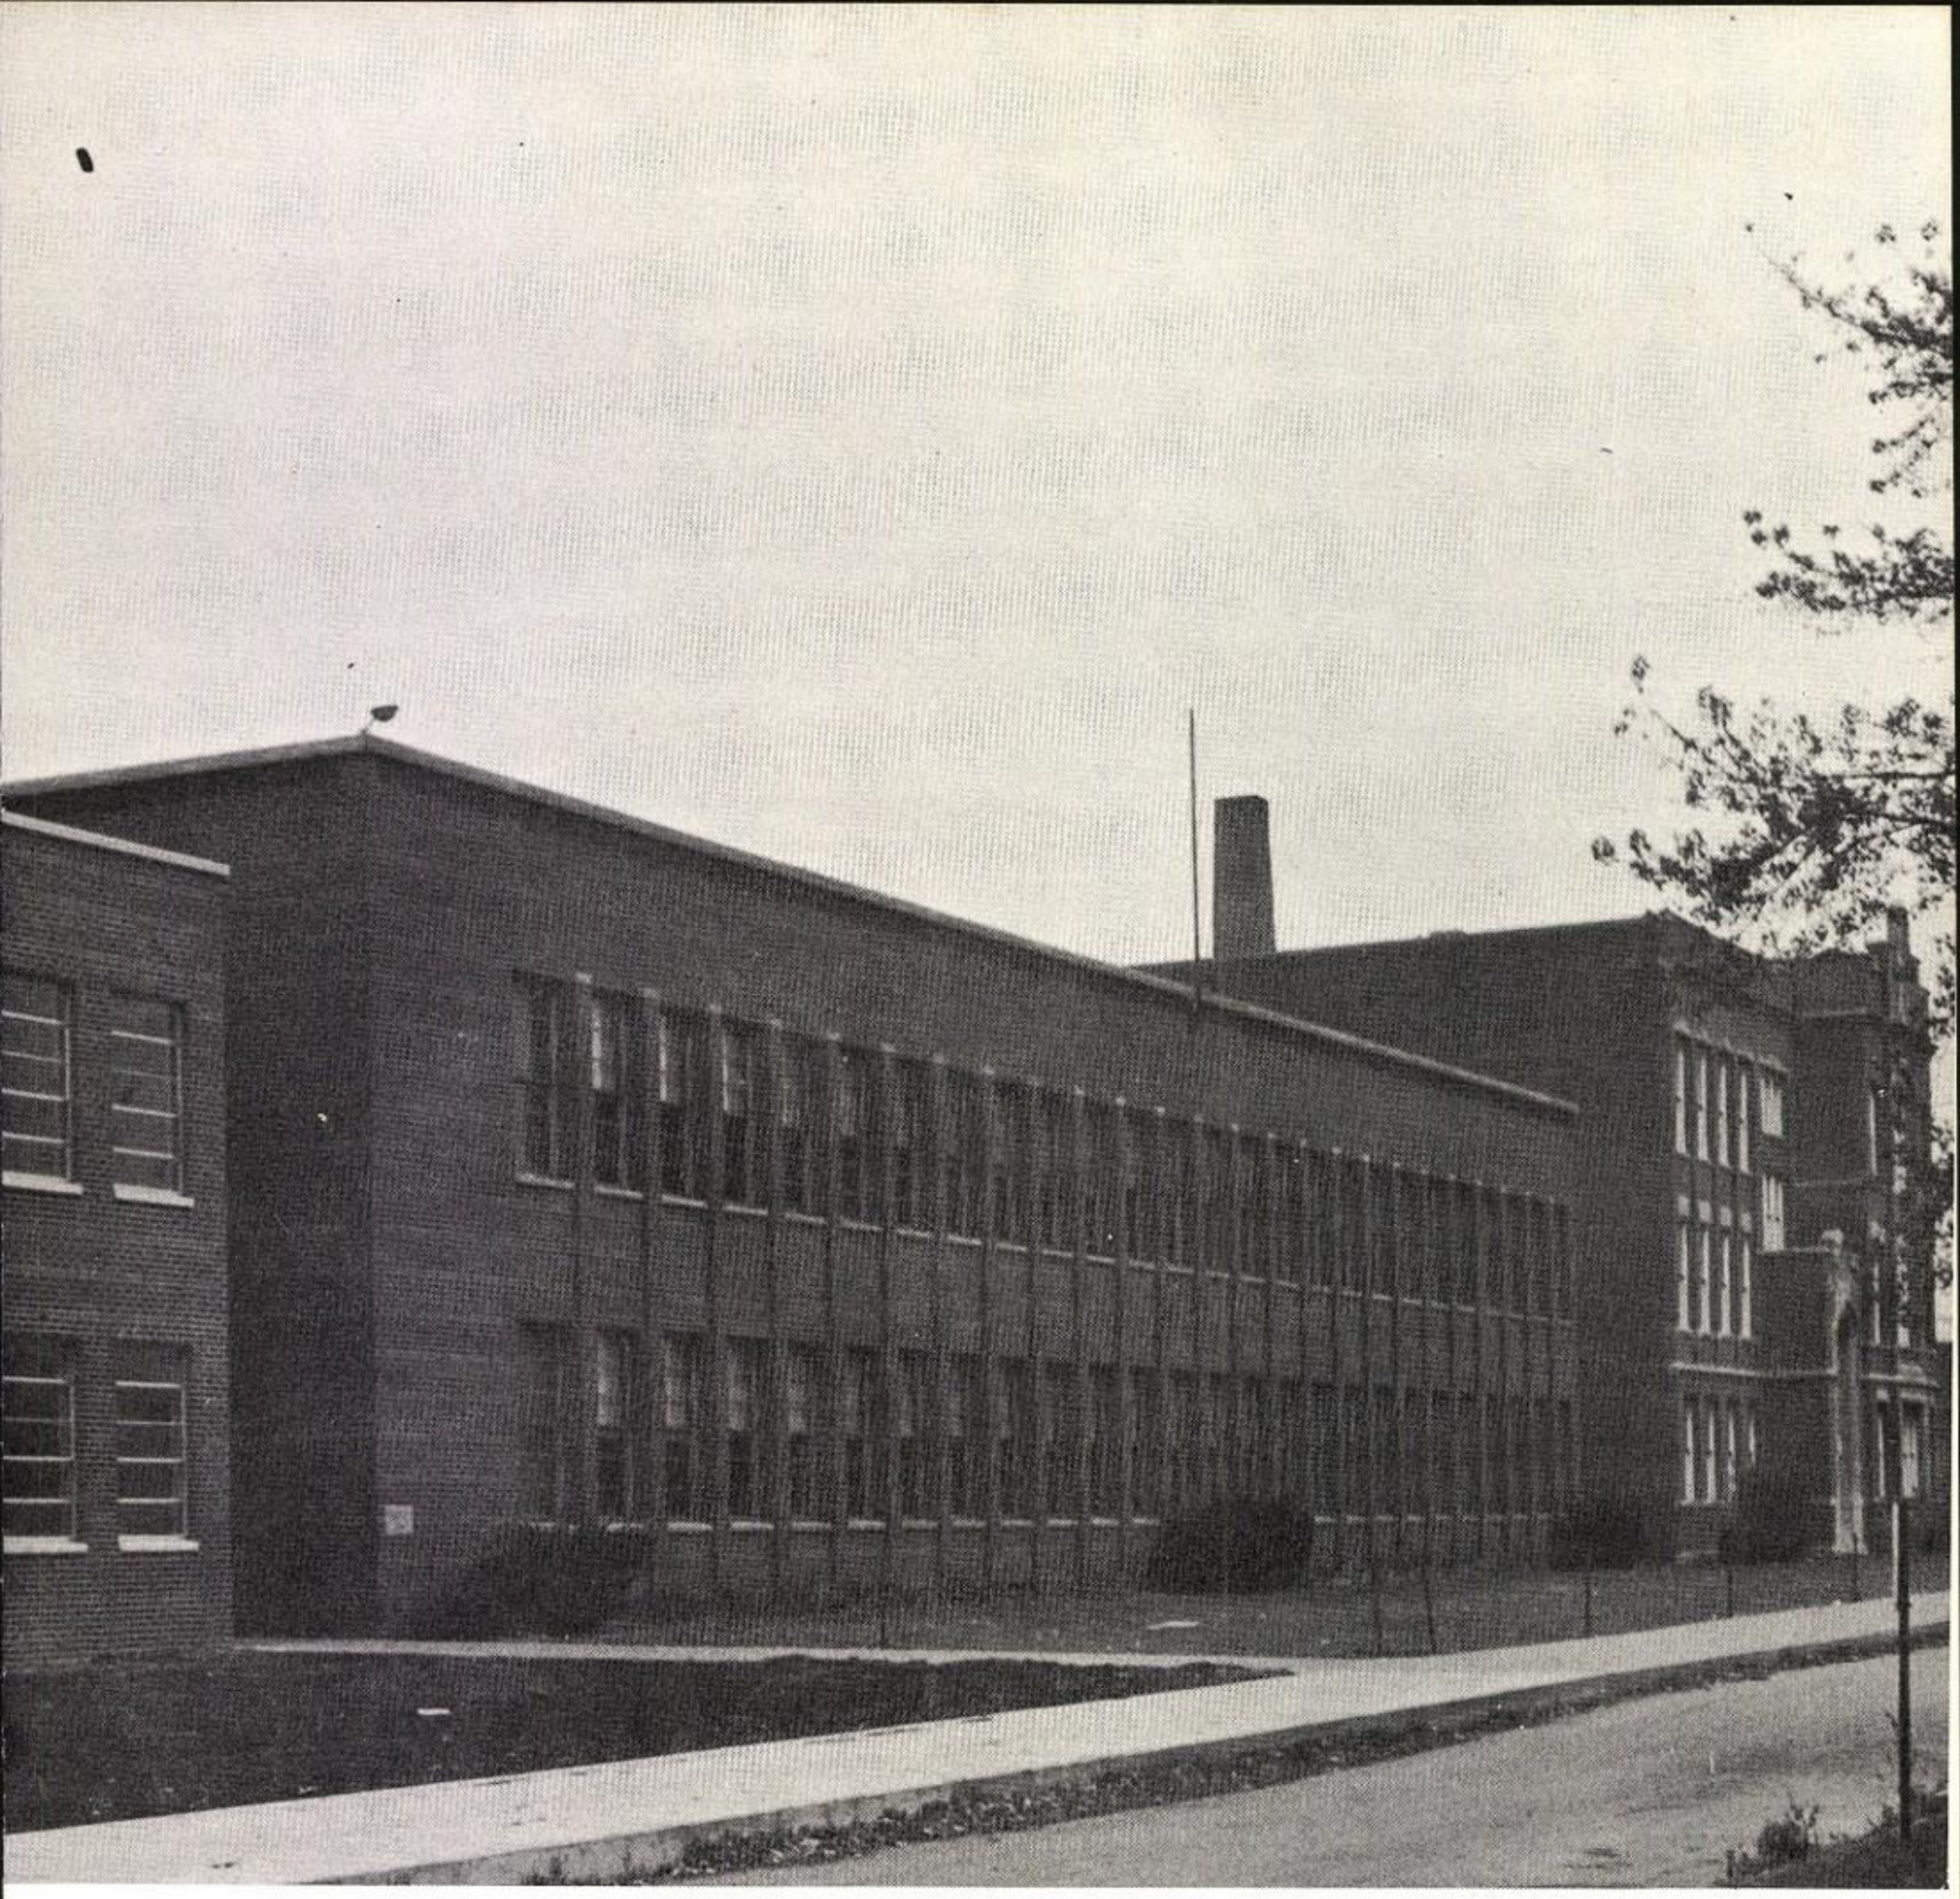
Father Conway succeeded Father Schmid as director of the school in 1934. Father A. J. Junk began his career at Noll as teacher and athletic director in 1933. In 1939 he succeeded Father Conway as Principal.

In 1933 the Poor Handmaid Sisters were succeeded by the Sisters of the Holy Cross who now number twenty-two members of the faculty. The student body not only has the advantage of these Religious as teachers, but the added services of seven diocesan priests and ten lay men and women.

In 1947 Catholic Central High became Bishop Noll High School in honor of Archbishop John Francis Noll, D.D., Bishop of the Diocese of Fort Wayne since 1925, founder of Our Sunday Visitor, and a great benefactor of the school.



The tremendous increase in enrollment in recent years necessitated the opening of two classrooms at St. Joseph's Parish in Hammond for the 1954-55 academic year. This past year a new west wing of six classrooms and a cafeteria was added to the school to relieve crowded conditions and accommodate the enlarged student body.



As Bishop Noll High School expands and develops to meet the needs of the advancing world, it offers its student four basic curricula: classical, scientific, commercial, and general. Extra curricular activities extend opportunities to develop particular abilities and talents of each student in the academic, social, athletic, and religious fields. With each step of advancement, each student becomes better equipped to face the problems of the world after leaving Noll High's portals.

With the passing of the years, dreams have become realities through hard work and sacrifice. Though much progress has been made, there are still more dreams which, it is hoped, will soon become realities to make a good school even better.

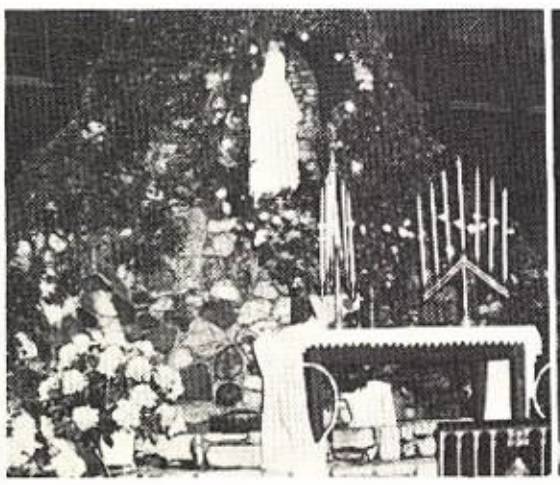
The Grotto

Whether the year is 1942 or 1956, the Grotto of Our Lady of Lourdes is of paramount importance to Noll's family, student body, and alumni.

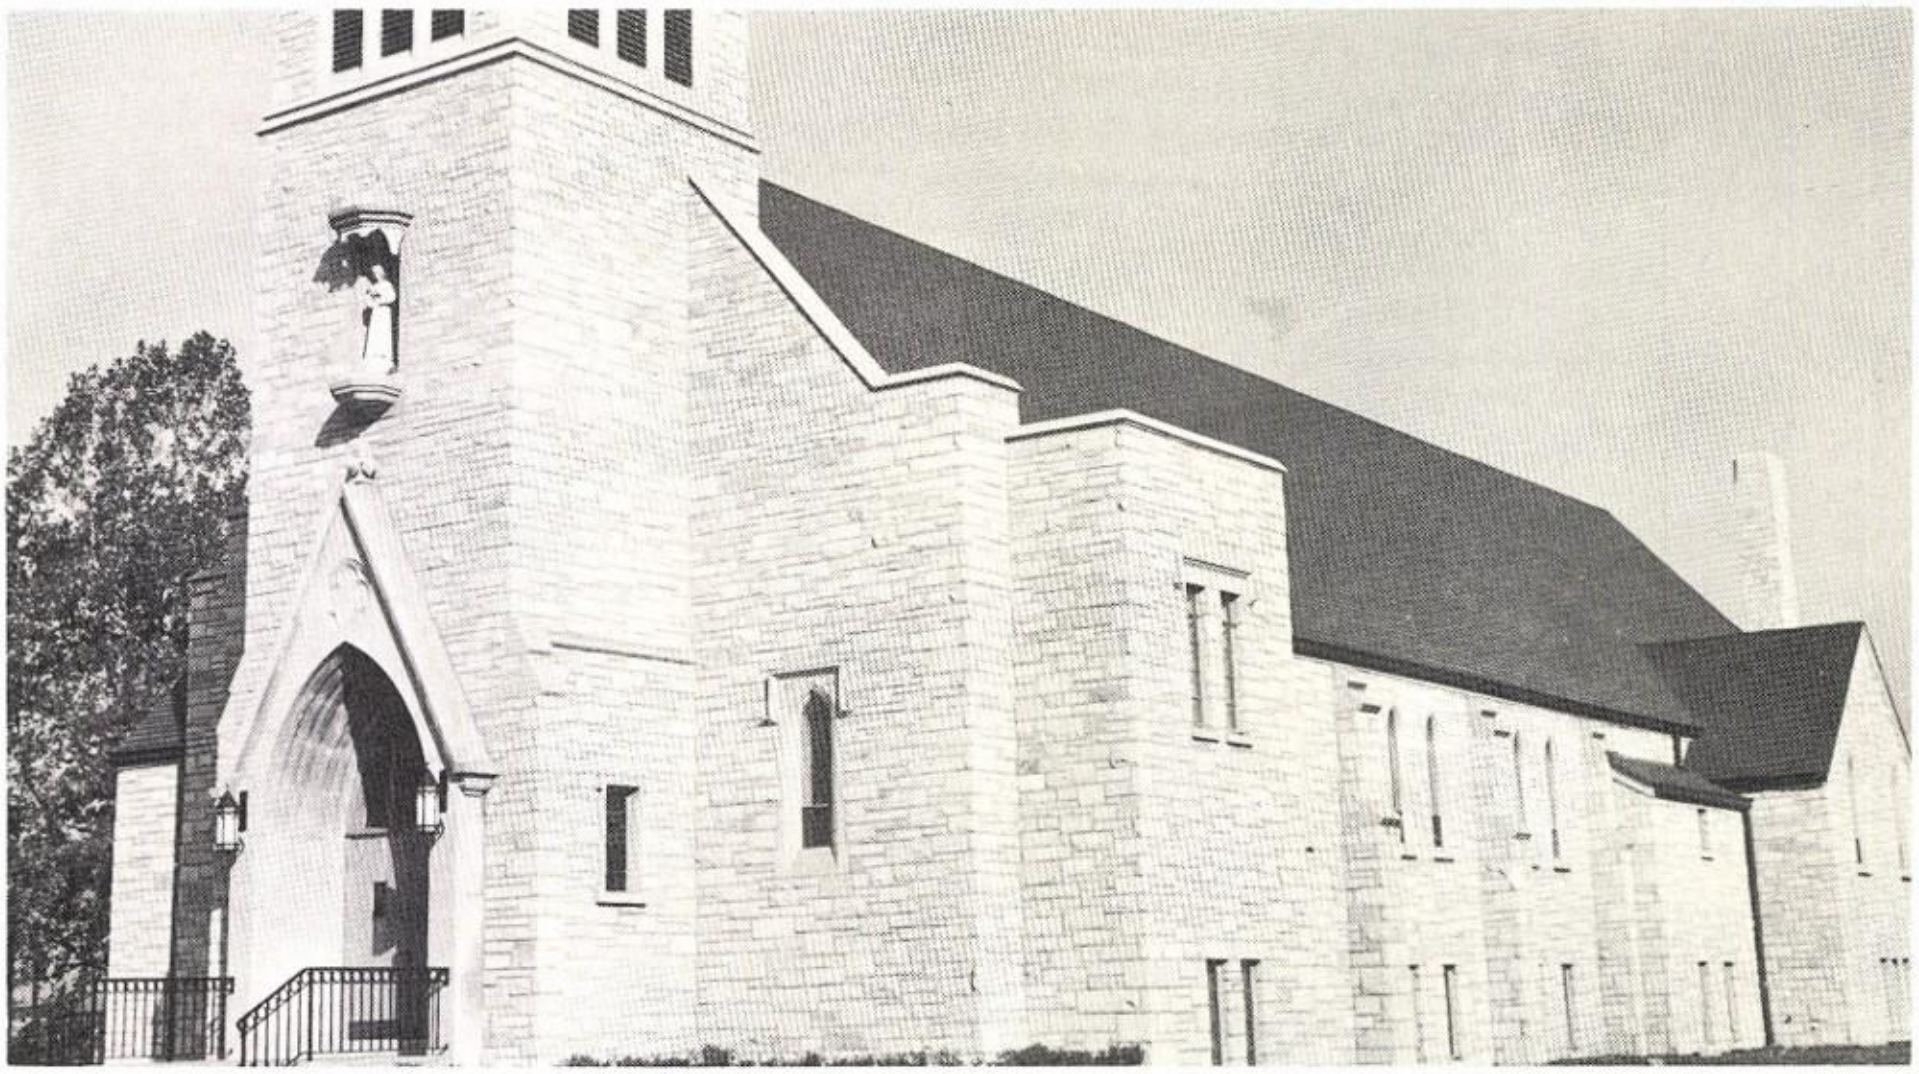
Located at the west end of the campus, the Grotto represents a special tribute to Mary, the Mother of God. Twelve years ago Nollites, with the encouragement of Sister Ivan, spent their free time constructing the Grotto which contains rocks from various parts of the world, notably from Lourdes and Fatima.

Upon its completion, the Grotto soon became an integral part of school life and treasured traditions soon centered around it. Prayers of petition and thanksgiving are laid at Mary's feet daily. Before and after each home football game the team in a body visits Our Lady.

Near the beginning and end of each school year special ceremonies are held at the Grotto. In October the entire student body joins in reciting the rosary and in Benediction of the Blessed Sacrament before the Grotto. In May the entire student body again honors Our Lady with the May Crowning ceremony. The prayers directed to the Mother of God at Noll's Grotto over the years have undoubtedly brought many blessings to the school, its faculty, students, and alumni because of Mary's powerful intercession.

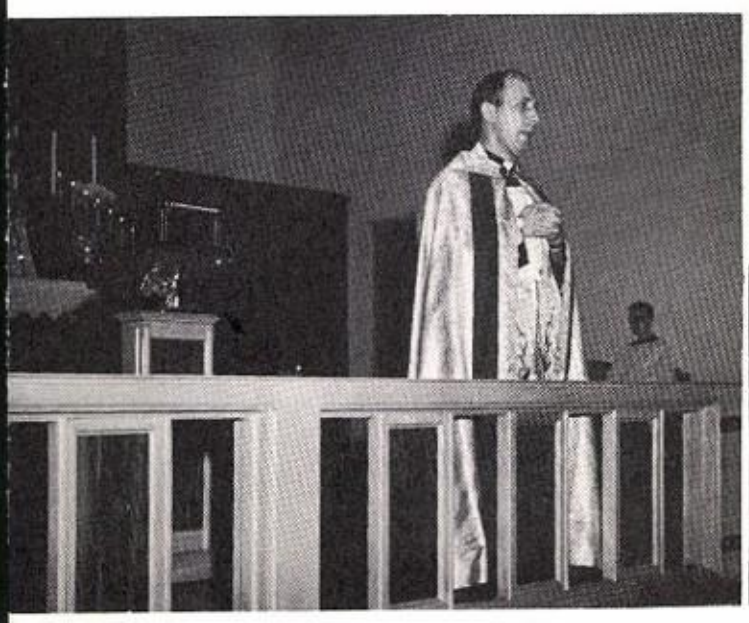


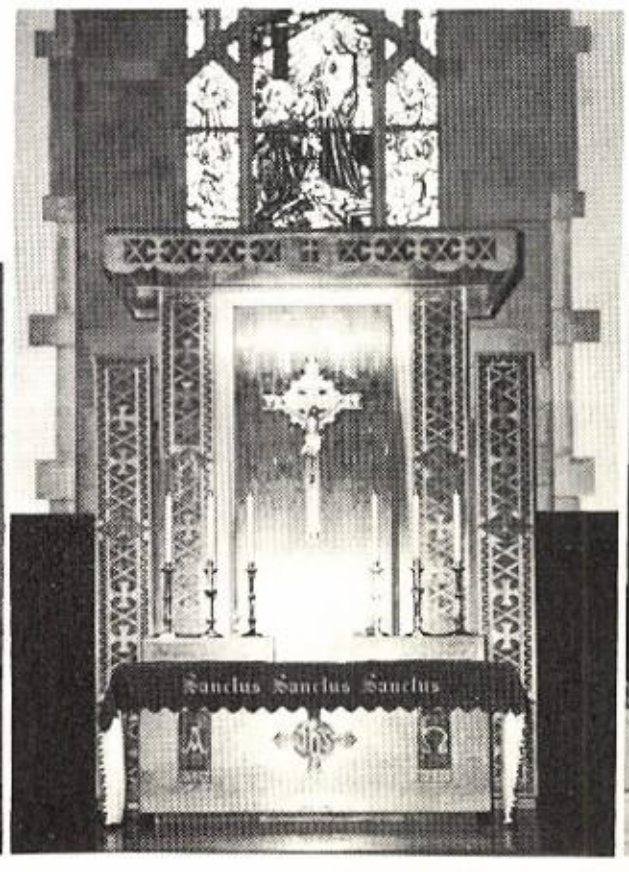
St. Margaret Mary

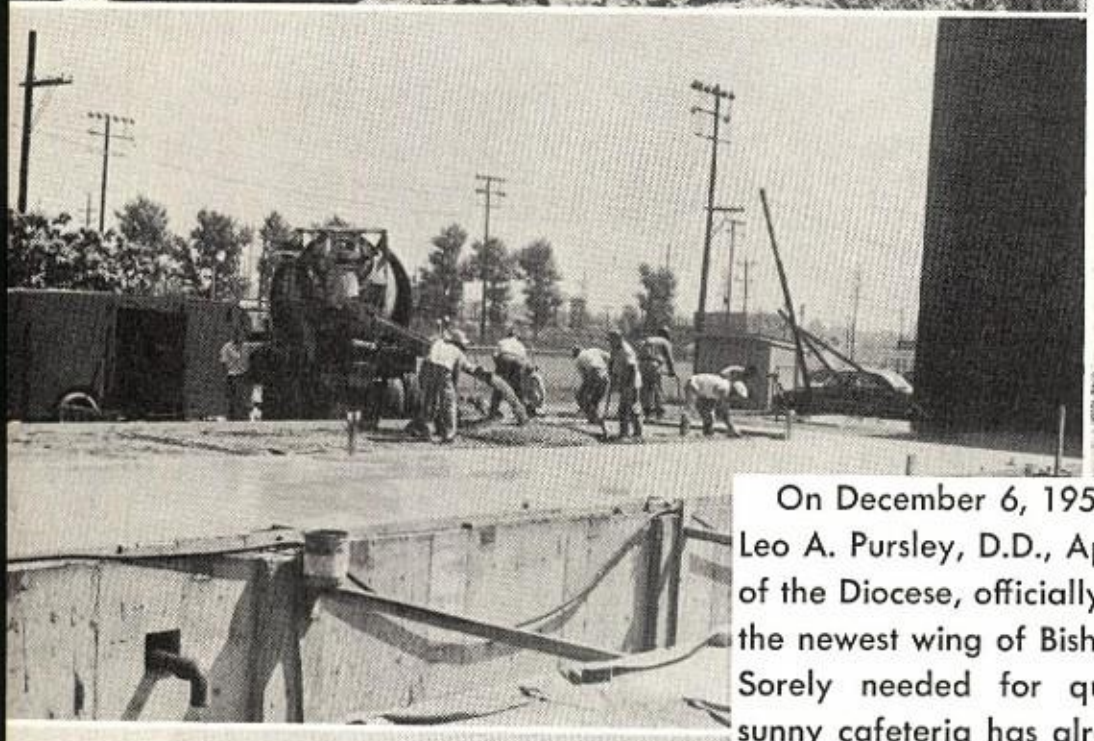


Since 1952 St. Margaret Mary's Church, located on the school campus, has provided a splendid complement to the religious life of Noll High students. Though it is really a parish church, students are welcome to the advantage of its quiet facilities for daily Mass and Holy Communion before school hours.

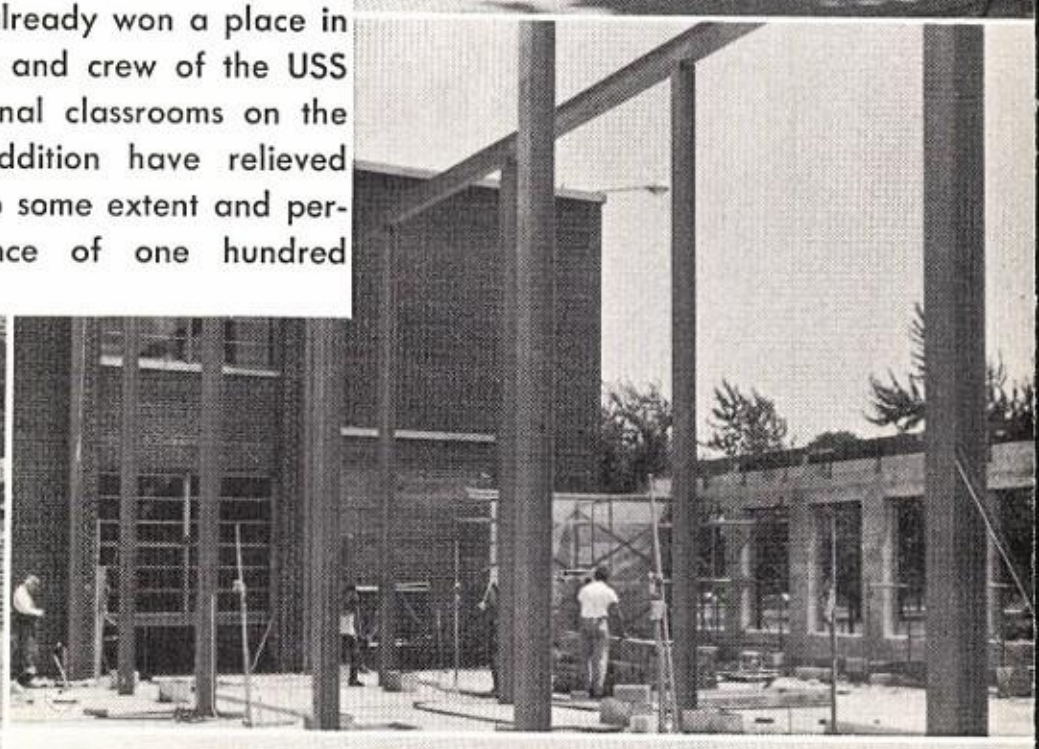
Each of the four classes has a special day during the week when the students of that class are urged to make a personal sacrifice at least once a week to attend Mass. This is a matter of personal responsibility and no attempt is made to make any sort of a check. On the day of any athletic event it is a common sight to see the players and many other students at Mass and Communion. On each First Friday of the month an especially large number of students is present. During the past year the C. S. M. C. has also sponsored a Holy Hour after school as a part of its monthly First Friday program. During the annual retreat students also had the use of the parish facilities.

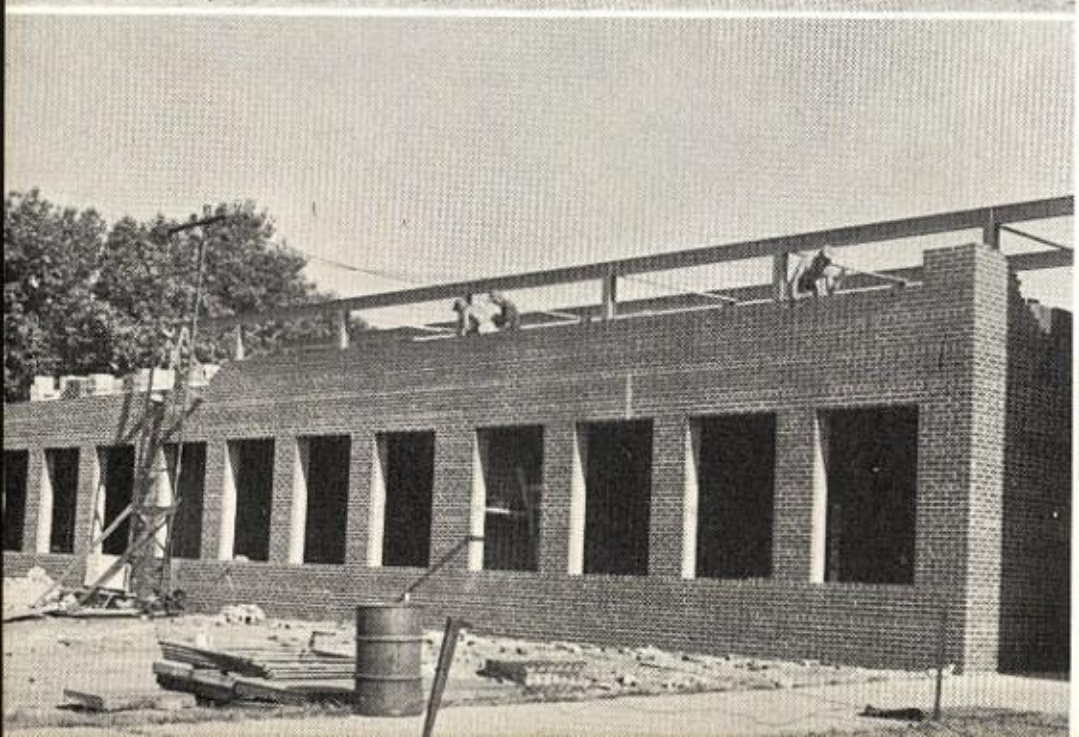


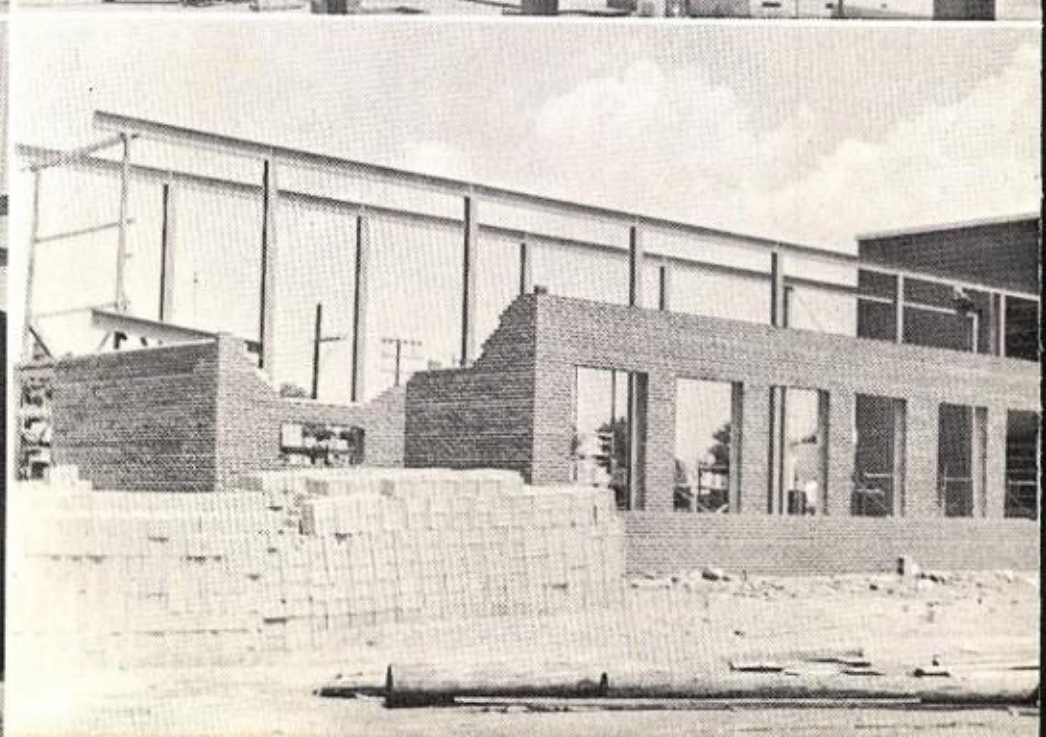


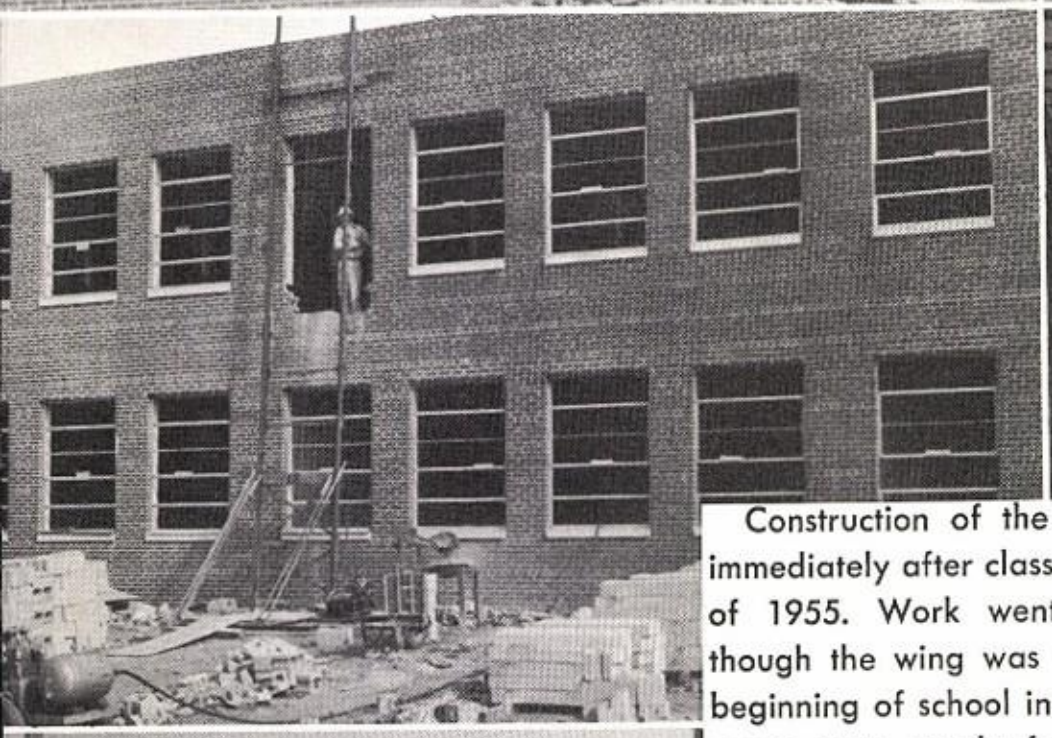


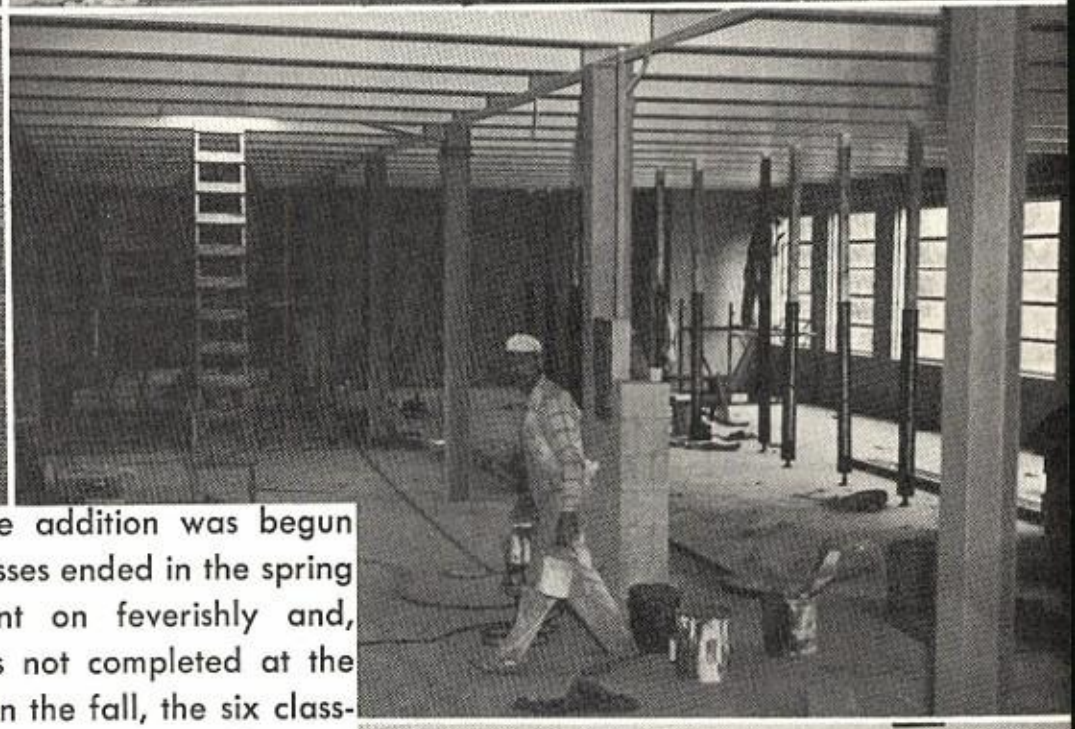
On December 6, 1955, the Most Reverend Leo A. Pursley, D.D., Apostolic Administrator of the Diocese, officially opened and blessed the newest wing of Bishop Noll High School. Sorely needed for quite some time, the sunny cafeteria has already won a place in the hearts of officers and crew of the USS Noll. The six additional classrooms on the first floor of the addition have relieved crowded conditions to some extent and permitted the admittance of one hundred eighty more students.











Construction of the addition was begun immediately after classes ended in the spring of 1955. Work went on feverishly and, though the wing was not completed at the beginning of school in the fall, the six classrooms were ready for use September 19. The new cafeteria on the second floor, with its new tables and kitchen equipment of stainless steel, was ready for use in November.

Student Administration

After almost a full year of planning, the new Student Administration came into being this year at Noll High School. A new constitution was drafted, revised several times, and finally adopted. New officers were elected by the student body in the spring of 1955.

The executive branch of the Student Administration, composed of the president and his cabinet, and the Senate and House of Representatives introduced the new "Warrior Guide" of rules and regulations for Noll High students. A "Club Day" schedule has been established to increase student participation in club activities and to provide additional time for existing school clubs to plan their activities. The Halloween Masquerade, Winter Formal, and Clean-up Week were Student Administration projects. The Student Administration of Noll High School has also taken active part in the Lake County Student Council Association.

Sponsored by Father Zimmerman, President David Mellady, Vice-president Aurelia Duralski, Treasurer James Hudspeth, and Secretary Jane Austgen directed the new Student Administration in the first year of its operation at Noll High School.

David Mellady, president; Aurelia Duralski, vice-president; Father Zimmerman, faculty advisor; James Hudspeth, treasurer; and Jane Austgen, recording secretary.

Fathers' Club

MR. EDWARD DONOVAN
President

MR. PETER CERGIZAN
Vice-President

MR. MICHAEL KREN
Secretary-Treasurer

The Men's Club of Bishop Noll High School is composed of the fathers of the students, alumni, and other Catholic men interested in the advancement of Catholic secondary education.

The Fathers' Club greatly supports and aids Noll's Athletic Department in helping to raise funds by sponsoring bingo games and smokers. In conjunction with the Mothers' Club, they sponsor the annual Athletic Banquet. Members of the club often lend their time and effort in supplying transportation for Noll's athletic teams when they play away from home and they monitor the home games.

Vice-presidents representing each class are Mr. Allan Adzia, Juniors; Mr. Andrew Chmiel, Sophomores; Mr. Stephen Bencze, Seniors; and Mr. Andrew Gordon, Freshmen.

Mothers' Club

MRS. THOMAS RYDER

MRS. FRANK WERNER
Corresp. Secretary

MRS. JOHN TULLY
Treasurer

The Bishop Noll Mothers' Club is one of the most effective boosters of the school and works diligently to further its interests. This organization of mothers of Noll High School students has as one of its projects the annual S. D. S. card party and style show. In joint cooperation with the Fathers' Club, the members also serve the annual Athletic Banquet in the spring and the Baccalaureate Breakfast for the seniors and their parents at graduation time. The combined Fathers and Mothers Clubs also sponsor several socials during the year.

Vice-presidents representing each class are Mrs. Frank Marcinek, Juniors; Mrs. Andrew Kovan, Seniors; Mrs. George Rohrman, Sophomores; and Mrs. Julius Sabo, Freshmen.

Baccalaureate Mass

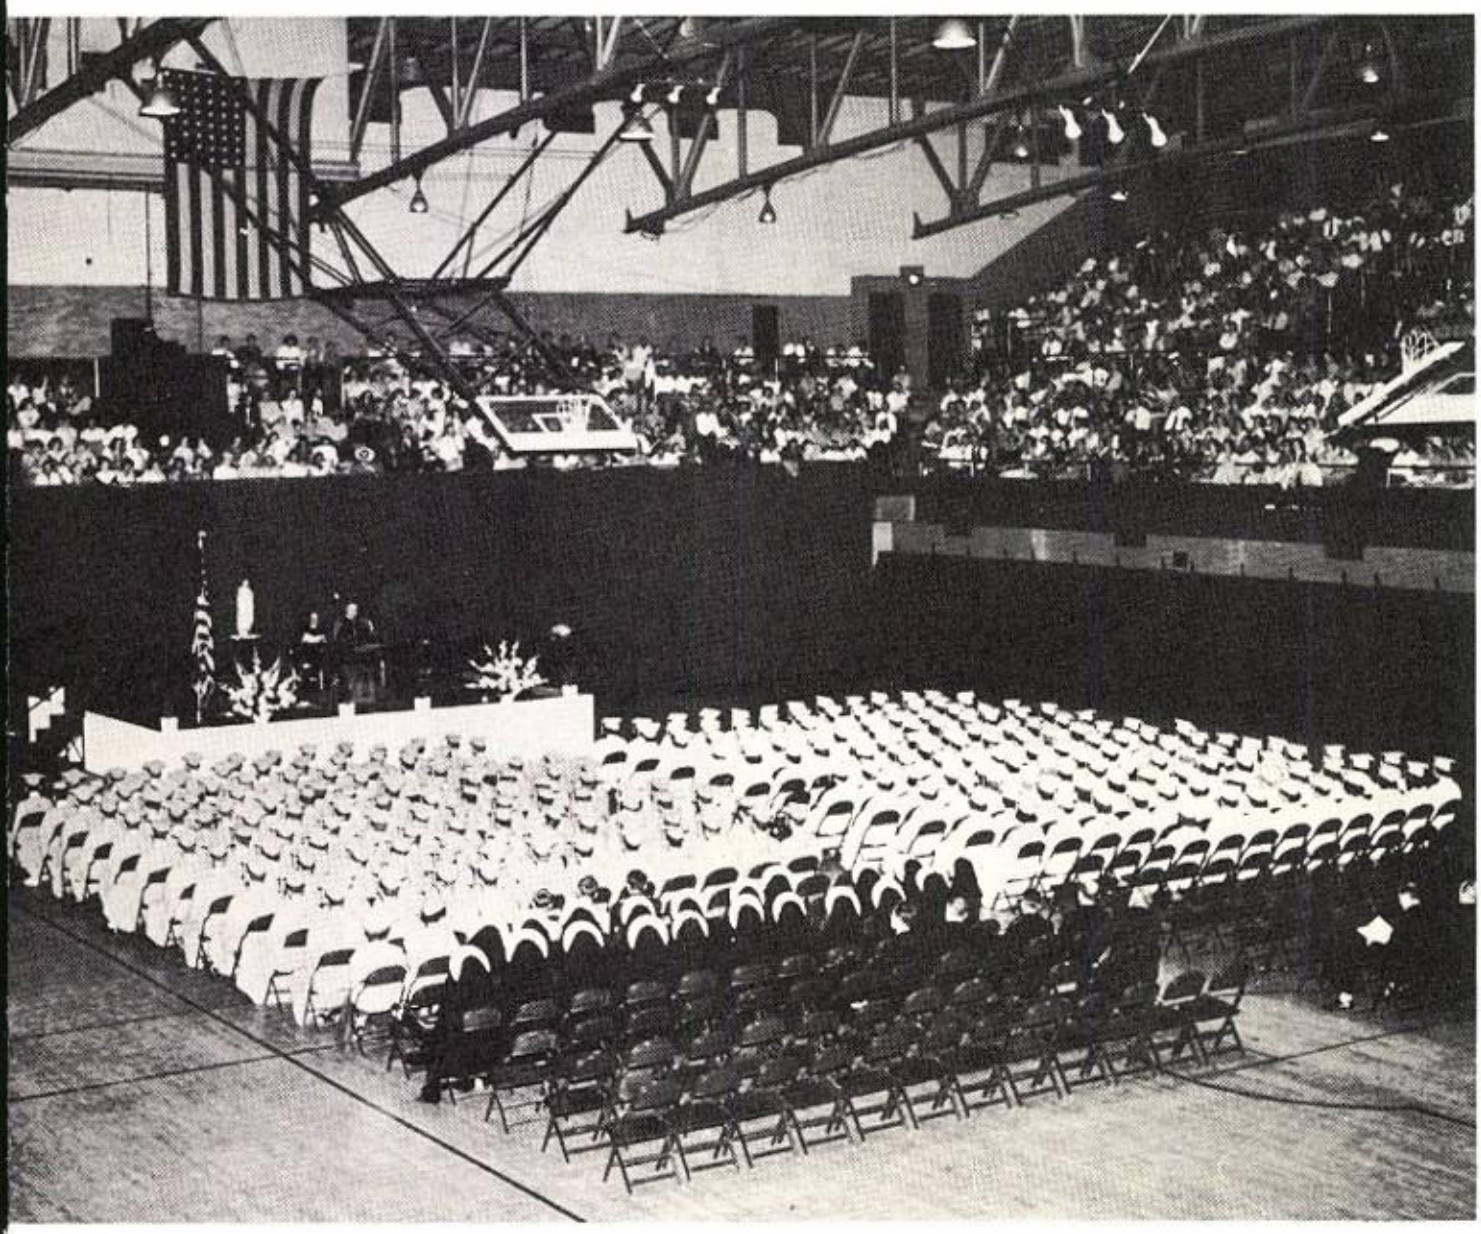
A Solemn High Mass was celebrated at St. Joseph's Church, Hammond, on May 31, 1956. This Baccalaureate Mass marked the real beginning of the formal Graduation Exercises of the Class of 1956. The Mass was offered by Father Junk, Principal, assisted by the priests of the faculty, for the intentions of the Seniors and their parents. The choir was under the direction of Father Melevage.

The graduates were reminded in the sermon of their duty to plot their life's course for the greater glory of God and their salvation of their souls. The Seniors also received Holy Communion at the Mass. Breakfast was then served for the Seniors and their parents by the parents of the Junior class at Memorial Hall in East Chicago.

Commencement Exercises

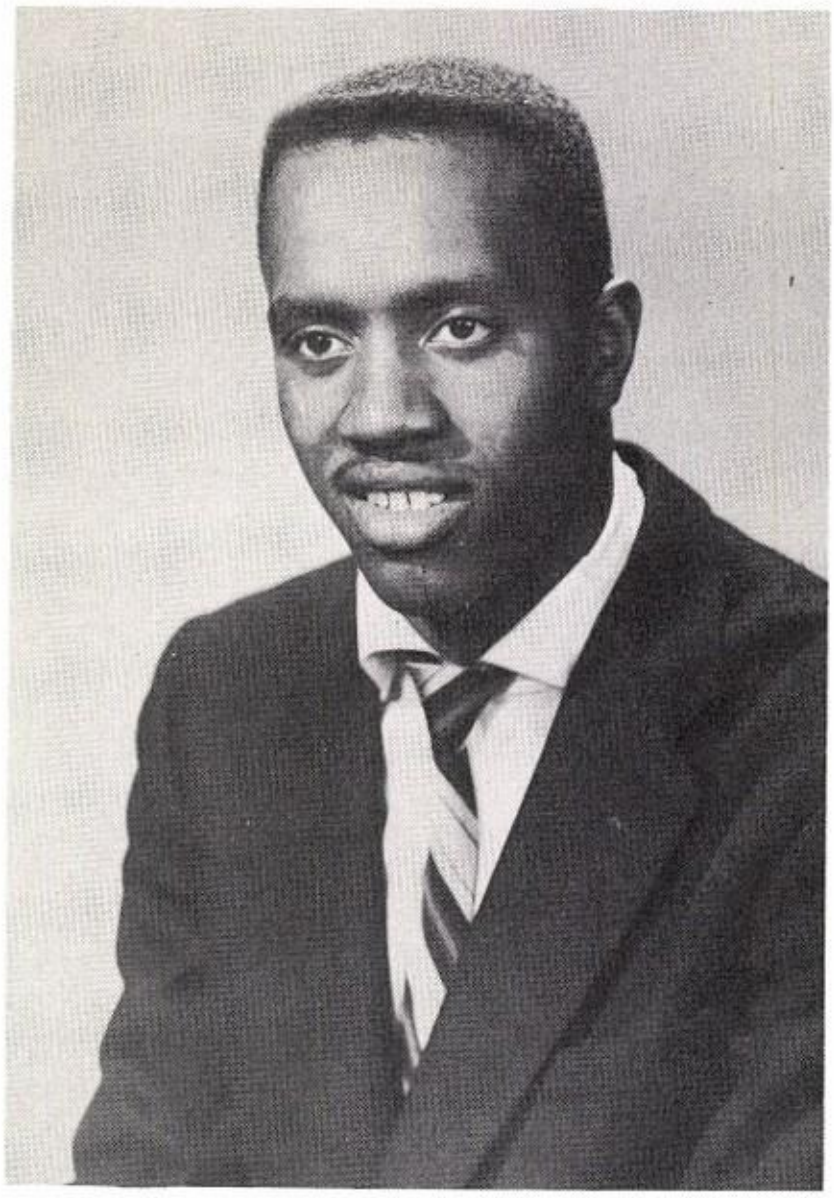
On June 3, 1956, the Senior crew members of the U. S. S. Noll marched slowly into the Hammond Civic Center where their parents, relatives, and friends had gathered. The strains of "Pomp and Circumstance" faded into the distance and Commencement Exercises began with the addresses of the class Valedictorian, Salutatorian, and guest speaker.

As proud parents watched, Rev. A. J. Junk, Principal, conferred the awards and scholarships to the high ranking Seniors and then officially granted each of the graduates his diploma, the culmination of his four year cruise and the passport to a life time of enterprise.



Bell Chosen As Senior Prexy

James Bell, Senior Class President



The selection of senior class officers differs slightly from that of the underclassmen at Noll High. While all other classes have a complete set of officers for each home room, the seniors elect a president of their class at large. Each senior home room submits a presidential candidate and the entire senior class members choose the one who will officially represent them. Each individual home room has a vice-president, secretary, and treasurer.

James Bell was selected by the seniors as their class president. He is a member of St. Monica's Parish, Gary. Choice of him as senior class president is evidence of his pleasing and popular personality. While at Noll, Jim was active in athletics, especially varsity football and basketball, and was a member of the Monogram Club.

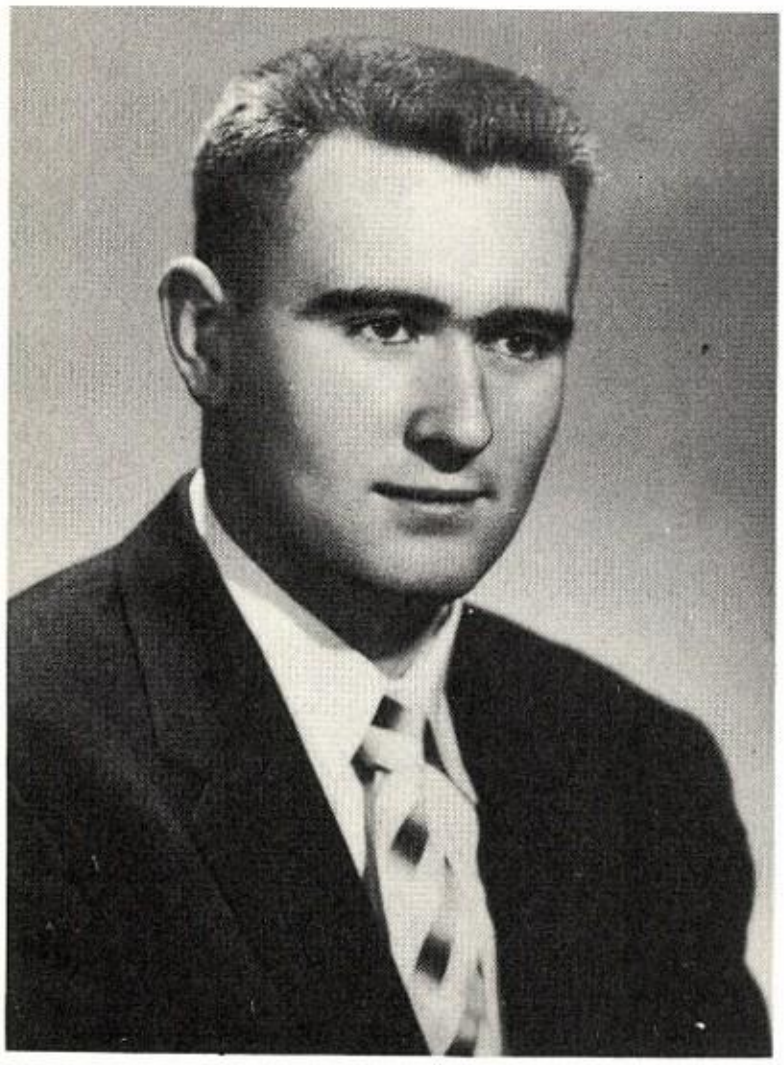
Honor Students

Shortly after the second semester gets under way, anticipation always mounts as the student body awaits the announcement of the Valedictorian and Salutatorian of the graduating class. These two honors are customarily awarded to the boy and girl of the senior class with the greatest number of honor points. John Chute, as Valedictorian, has the distinction of being the highest scholastic ranking member of his class. Carol Blake, the Salutatorian, is the highest ranking girl of the graduating class.



Valedictorian

JOHN CHUTE

John Chute, the highest scholastic ranking student of the class of 1956, has earned for himself the honor of Valedictorian of his class. He is the son of Mr. and Mrs. John L. Chute, Sr., and a member of St. Mary's Parish, East Chicago. Before coming to East Chicago, the Chute family lived in the state of Maine.

While at Noll High School, John participated in football, both as a player and as student manager. He was a member of the Bi-Phy-Chem and was elected this year as president of the National Honor Society. His future plans include matriculation at Notre Dame University to prepare himself for a career as a nuclear physicist.

Salutatorian

CAROL BLAKE

Carol Blake, highest ranking girl of the 1956 graduating class, has merited the distinction of being named class Salutatorian. She is the daughter of Mr. and Mrs. Jeff Blake and a member of Immaculate Conception Parish, East Chicago.

Besides being an outstanding student, Carol was very active in extra-curricular circles. She was a member of the S. D. S., the Senior Service Club, French Club, Booster Club, and Marquette Staff. In her sophomore year she was elected by the faculty to the National Honor Society. After graduation Carol plans to enter Nursing.

History

In the spring of 1955 the History Department of Bishop Noll High School sponsored a contest of its own to replace the National History Contest which has been discontinued. After preliminary eliminations were made, the top students of the United States History classes competed in a final elimination contest. Contestants were Aurelia Duralski, Mariellen Kinney, Richard Meister, Judy Mellon, Patricia Papp, Betty Sacek, and Celine Susorney.

The final elimination contest consisted of an original essay on "The Development of Political Parties in the United States." Teachers of the History Department acted as judges of the essays and selected Celine Susorney as the student who showed the best understanding, comprehension, and presentation of the topic.

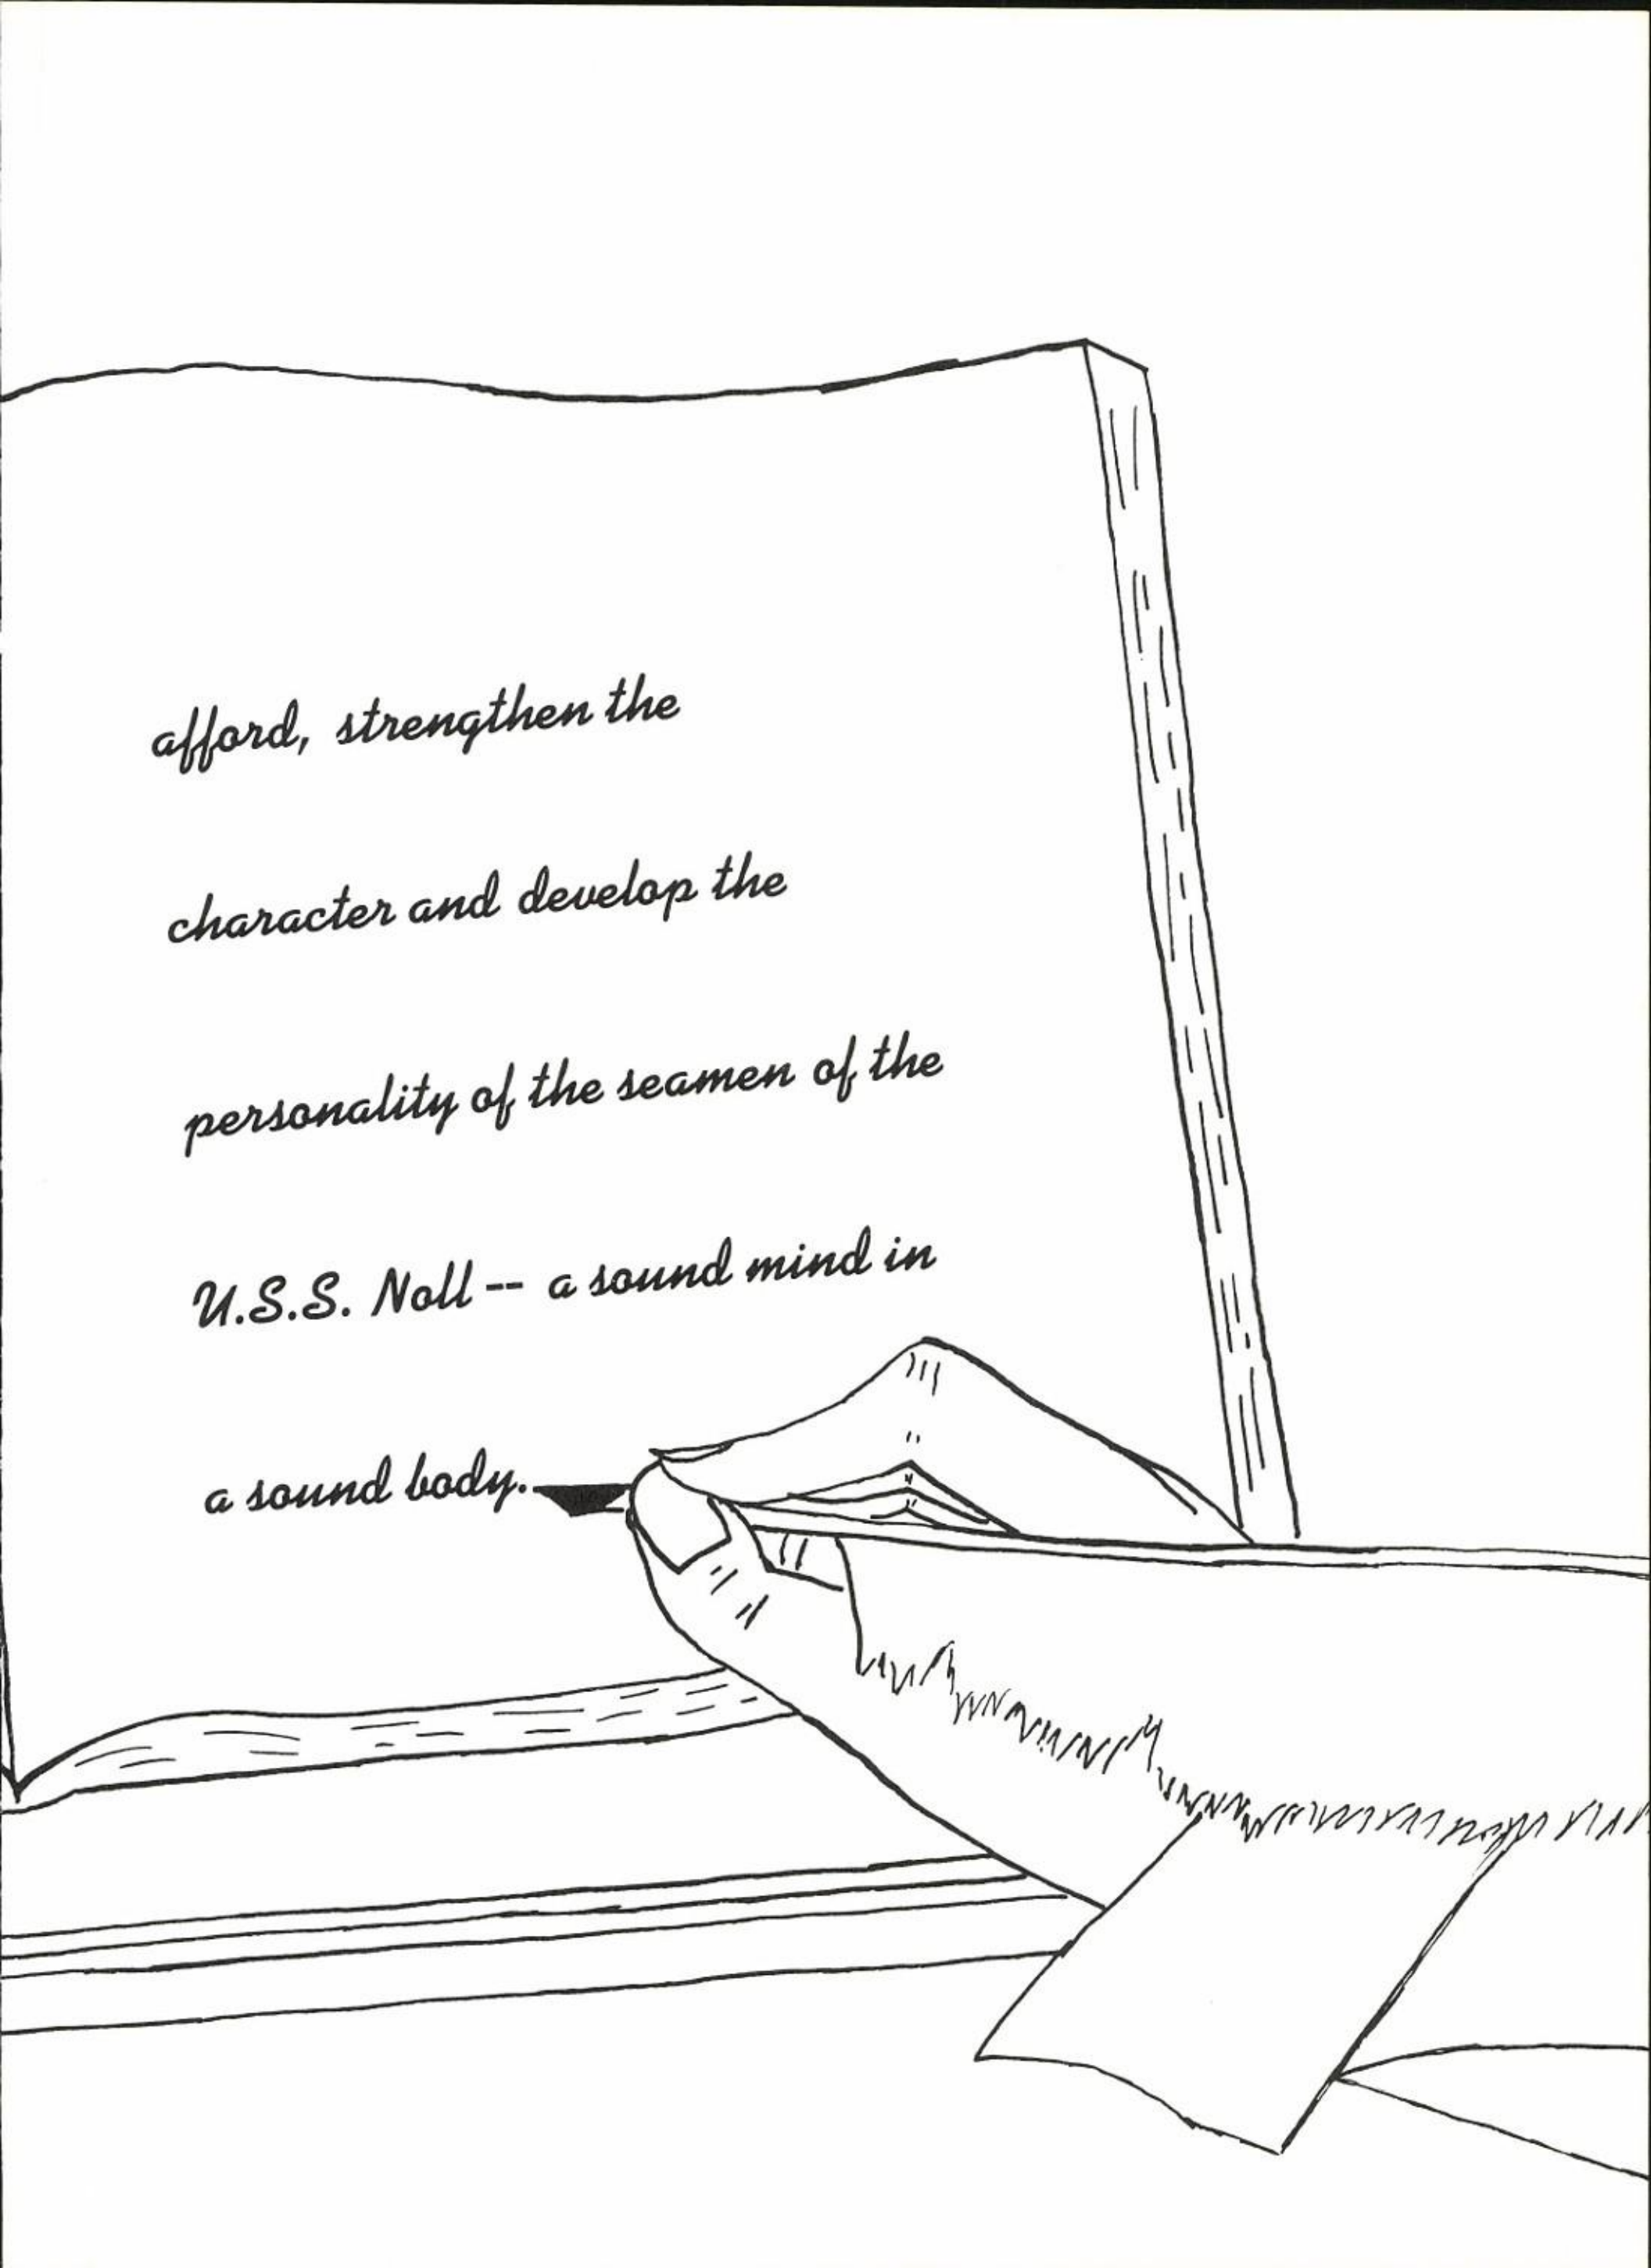
Athletics:--
Interest and
participation in
sports, along with the
competition they



afford, strengthen the
character and develop the
personality of the seamen of the
U.S.S. Noll -- a sound mind in
a sound body.

Sports Staff

The log of the U. S. S. Noll now turns to the story of athletics at Bishop Noll High School. As in every high school, athletics are a major activity throughout the entire academic year. In the fall football is king. Fast on its heels, are basketball, wrestling, and swimming. In the spring track, golf, and baseball reign and close the athletic year at Noll High. This well-rounded athletic program provides enjoyment and excitement for all Noll Warrior teams. No less active are the faithful Warriors who fill the bleachers, for they too are an integral part of the athletic life of the school.

The Athletic Department is composed of Father Zimmerman, Mr. Huffine, Mr. Buckley, Mr. Hudson, Mr. Dermody, Mr. Dunleavy, and Mr. Quinn.

REV. A. J. ZIMMERMAN

Father Zimmerman, as head of the Athletic Board, holds one of the busiest jobs at Noll High School. It is his duty to arrange the schedules and contracts, and to supervise generally the athletic program. As if this were not enough, he also is the ticket manager and has his own schedule of classes to teach. These duties, detailed and difficult, have been accomplished very well by Father Zimmerman.

MR. KARL HUFFINE

Mr. Huffine holds the position as athletic director and head football coach at Noll. He is Father Zimmerman's coworker in all matters concerning the Noll athletic program. As head football coach, he is the brains responsible for bringing Noll's football team recognition as one of the powers in the State of Indiana.

MR. JAMES BUCKLEY

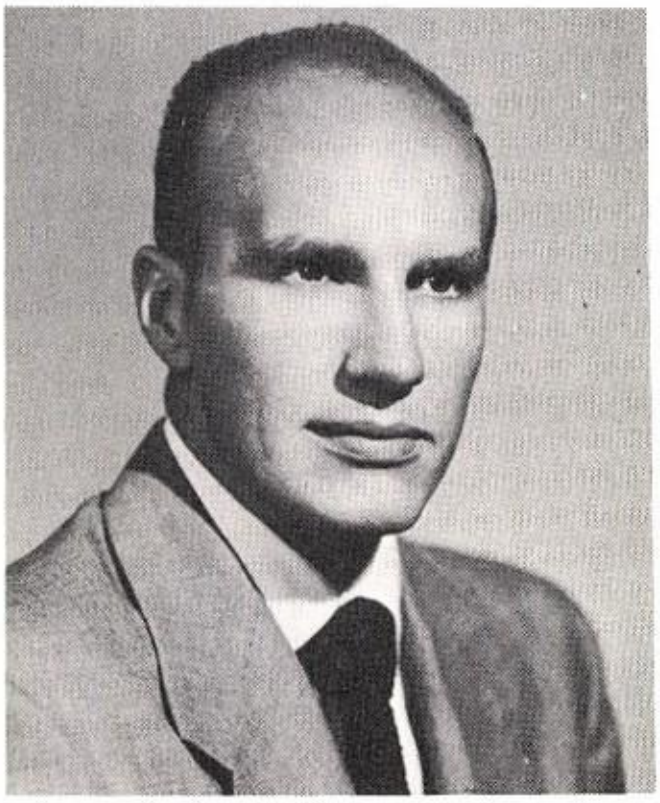
Mr. Buckley is the head swimming and baseball coach, but he is probably better known as the line coach in football. In this position, he is responsible for instilling the strong spirit in the football team. This spirit is likewise felt strongly in all other athletic teams. Mr. Buckley became swimming coach when that sport was added to the program last year. His baseball teams are always strong, and in seven years enjoy a winning percentage of over .700.

MR. JOHN DERMODY

Mr. Dermody, a Noll High alumnus, returned to Noll as a teacher and member of the Athletic Department. He holds the reigns of the reserve football and basketball teams. These two positions are most important, for it is here that budding Noll Warriors learn their fundamentals and begin their development as candidates for varsity positions.

MR. EDGAR HUDSON

Mr. Hudson is the head basketball coach. This is a tedious task with tremendous pressure and tension, for basketball is well termed THE HOOSIER SPORT. Mr. Hudson handles this job well, and since coming to Noll High has fielded steadily improving teams. Under his direction the Warriors were undefeated this season, an accomplishment never before attained by any Hammond team in basketball.



MR. GEORGE DUNLEAVY

Mr. Dunleavy, a Noll High alumnus, returned to his alma mater to assume the positions of assistant football coach and freshman basketball coach as well as a teacher of mathematics. Last year he also undertook the position of head track coach and has considerably improved the track squad at Noll High.

MR. JOHN QUINN

Mr. Quinn, the newest arrival to the Athletic Staff, came to Noll High in 1954. He took over wrestling when it was introduced at Noll and also the freshman football squad. Wrestling, under Mr. Quinn's able direction, is becoming strong and will hold its own among the many sports at Noll High School.

Monogram Club

The Monogram Club is composed of those athletes who have earned a major letter in a sport at Noll High School. This is accomplished by participating in half the quarters in basketball and football, half the innings in baseball, or by scoring fifteen points in any of the other sports. The large blue "N" signifies not only the actual time played in games and meets, but also many long hours of training, practice, and hard work. It represents the sacrifice made by an athlete for his school and is the coveted goal of every loyal and spirited Noll athlete.

Coach Buckley is the Faculty advisor of the Monogram and the student officers are Pete Rodriguez, president; Ed Robak, vice-president; Jim Flaherty, secretary; and Bob Bradtke, treasurer.

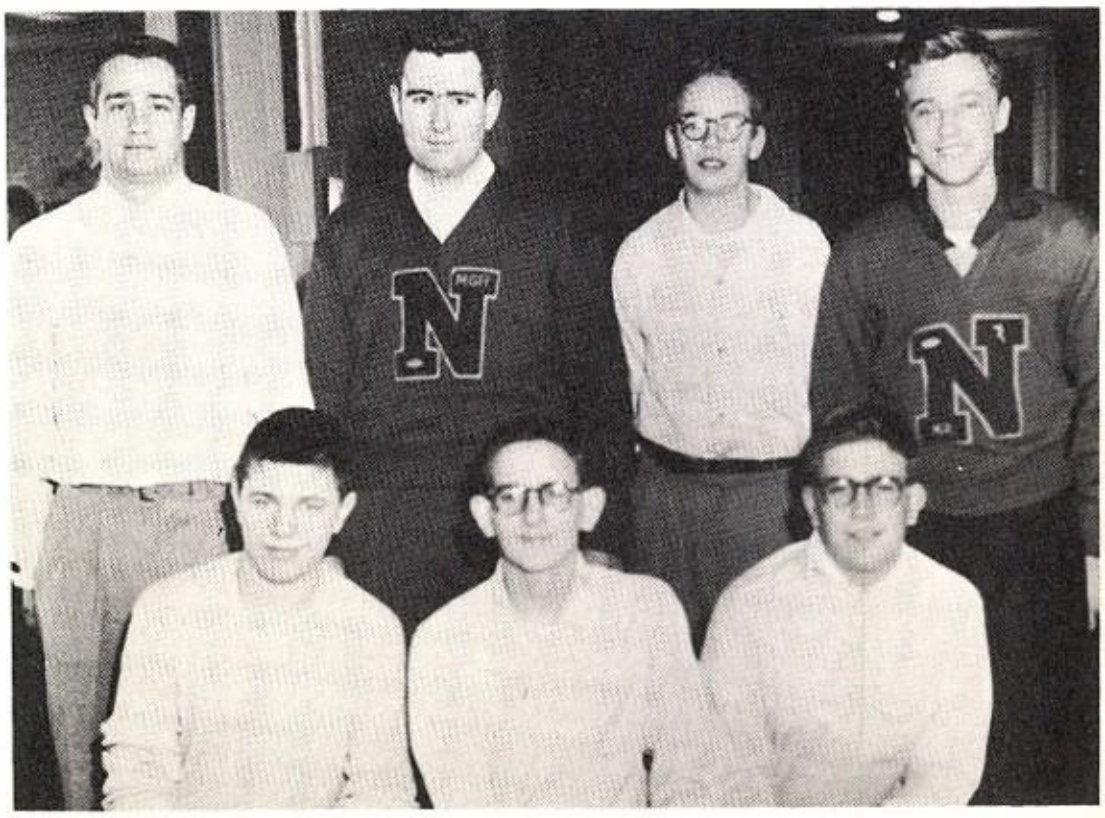
Cheerleaders

Varsity cheerleaders are Janice Vargo, Jayne Knoerzer, Elaine Shestak, Joanne Knoerzer, Donna Augustine, and Martyna Ryder.

Reserve cheerleaders are Natalie Burnham, Patti Knittel, and Virginia Krivickas.

Managers

The Student Athletic Managers are a group possibly least appreciated by the student body at large because their work is mostly in the background. However, any athlete realizes how important they are. The managers spend long hours the days before the games checking and issuing uniforms and attending to the needs of team members. They actually put in more time than the players themselves. They must be at every practice session before any of the players, and they cannot leave until everyone else has gone. After the games they must collect all the uniforms and see that they are ready for the next practice or game. They are in a real sense the unsung heroes of any team, for without them the team could not operate.



Kneeling: J. Juscik, R. Prasco, G. Spejewski. Standing: L. Sommers, J. Chute, R. Helfen, A. Mysliwiec.

Clark, Noll Make Home Debuts

HUFFINE SEES HOPE LATER

Noll Lacks Experience, Weight

Last November Indianapolis Cathedral invaded Hammond to battle Bishop Noll and a last-minute touchdown gave the visitors a 13-6 victory.

It was one of six games Noll's Warriors lost stacked against three wins. Only one regular is back from the combination that took the field against the Indianapolis crew, co-champs of the Indianapolis city title last fall and winner of that honor six of the last 11 years.

Mike Graney is back once again. He's the only returning Noll regular although Coach Karl Huffine and his band of assistants have nine other lettermen to work with.

Huffine thinks his squad is too light, too inexperienced and too thin to do much early damage. He feels that its faster than the last few he's had in the line and in the backfield, and he's sure that that intangible called spirit is more evident.

"We haven't had anyone miss a practice yet," he says.

• • •

The speed and spirit factors give Huffine hope that this squad will jell once it gets past Indianapolis Cathedral and Fremont Ross.

Should the Warriors battle those two foes respectfully and should injuries be kept at a minimum Huffine sees some silver lining on those dark Noll clouds.

The backfield is in better shape than the line. Eddie Robak who earned a letter subbing for Jim Hughes last season is slated for the No. 1 quarterback job with Ron Mertz and Dave Michels offering relief.

Jim Bell and Dave Mellady, both lettermen, will share left halfback duties. Pete Rodriguez or Jim Christie will be right halfbacks and Ira Judge or Eugene Spejewski are set at fullbacks. Giving a lot of backfield aid will be Denny Evans, Greg Tomko, Mike Hughes and Dave Sabo.

The backfield would be in better shape if Larry Sommers were around. Sommers who lettered at right half in 1954, has been ordered to give up football for a year by doctors.

Starting at ends will be Graney who reaches 6-4 and weighs 201. His mate at the flanks will be Jim Flaherty. At tackles it'll be Eugene Rodriquez and Ron Zielaskowski.

Standing guard duty will be either Dick Lesniak, Bob Smolar or John Wadas. Tom Yorke, playing his first year of football, will be at center. John Stodola will be the second-string center.

• • •

The tackles are the real problem of the forward wall. None of the candidates are lettermen. In a split T attack such as Noll uses, the tackles should be rangy with good weight and speed.

Eugene Rodriquez is a 6-1 sophomore who weighs a meager 155. Zielaskowski is 6-0 and 156. Two candidates do have good size. Larry Zielaskowski is 6-0 and 156. Two who is getting his first taste of football although he's a senior. John Hanala is a sophomore who reaches the six-foot mark and moves the needle to 190 pounds.

Both are shy of experience. If they come around, Noll's prospects will brighten. If not, the Warriors are in for a gloomy season.

Huffine reveals that much time has been spent in practice on defense.

"We gained a lot of yards last year when we had the ball," he says. "The trouble with us was that we let the other team have the ball too much. So far the results look good but it's hard to tell in scrimmage how well your offense or defense is goin—"

Noll Wins Opener From Indianapolis Cathedral

THOMAS J. SEROCZYNSKI

Hammond — Inspired by the cheers of a student body which has reached record breaking proportions—Noll's light, fast, team defeated Cathedral of Indianapolis 19 to 0, Friday, Sept. 9.

After a scoreless first quarter Noll recovered a Cathedral fumble at mid-field. Two smashing runs by Pete Rodriquez and Ed Robak advanced the ball to the 30. On the next play Dave Mellady took a short pass from Robak and rocketed to a T.D. along the northern sideline. Ira Judge's kick was wide. Score: Noll 6, Cath. 0.

NOLL'S NEW, huge, electric scoreboard (the finest in the Calumet region) showed just 53 seconds until half-time when Noll's Robak wheeled to the left and threw a perfect 30-yard strike to big Mike Granney for Noll's second T.D. This time Judge split the uprights to send Noll to a halftime lead of 13-0.

Noll kicked off to Cathedral to get the third quarter under way. Failing to gain the necessary 10, Cathedral punted to Noll's 37. Rodriquez hit for two. On the next play Robak cut inside his right end and galloped 65 yards to a T.D. behind the most spirited display of blocking seen on Noll's field in many a moon.

In the fourth quarter Cathedral's Brennan brought the crowd to its feet as he raced 60 yards, only to be caught from behind on the 10 by Granney. On the next play Cathedral fumbled, Noll recovered and that was the ball game. On Sept. 23 Noll travels to Ohio to take on highly regarded Fremont Ross.

GRANEY, FLAHERTY LEAD IRON BRIGADE

Bishop Noll Success Depends on 13 Players

By LOREN TATE
Times Sports Writer

Two rangy rawboned seniors named Mike Graney and James Flaherty hold the key to the current Bishop Noll football season. And with the backing of a solid but thin Warrior squad, this pair of defensive tackles and offensive ends can turn the lock to the victory storeroom.

Graney, 6'4", 201, and Flaherty, 6'2", 170, are switched inside from their normal flanker positions when the opposition has the ball because of their size and love for contact. They were instrumental in holding the powerful Fremont Ross attack to only five first downs though they lost to the Ohio school 7-0.

• • •

IN JOURNEYING to Fort Wayne Catholic Central Saturday evening the big duo will again be put to the test. They are the lads who must come through if Noll is to stop the slashing Fort Wayne single wing which operates behind a massive line averaging 202 pounds. Meeting what is reportedly Fort Wayne's best team this year Noll mentor Karl Huffine says, "They have one of the largest high school lines I ever saw and their backs are small and fast. As long as our regulars hold out we'll give them a battle."

Turning back to last Friday's loss before 5,500 screaming spectators at Fremont, Huffine smiled even in defeat. "That was really a ball game. We made one miscue and that big fullback, Haldon Black, ran 50 yards right down the center of the field for the game's only score. It was a strange play especially since it happened on a fourth down and three situations early in the second quarter. I guess they didn't punt because the wind was against them."

"Clipping penalties stopped two would-be tie attempts. And then there was that other play," he frowned. "That other play" the stocky coach was referring to took place late in the second quarter.

• • •

A FREMONT player had just been thrown out of the contest because of unsportsmanlike conduct, but he somehow returned to action before two plays had gone by. As a Noll pass play started, the Warrior coaching staff called attention to the illegal participant. The referee immediately called time out and the Noll backers watched in dismay as Graney gathered in the long toss for what he thought was a six pointer.

After a short discussion, the officials ruled that the play would not be counted because Fremont used an illegal player. Noll was offsides, and time had been called in addition. "Let's forget about that one," said Huffine. But changing the subject only slightly he continued, "You should have seen the game we had with Fremont three years ago. We lost it too, 32-27, because they got the ball one more time than we did. We always enjoy playing them because they have such a wonderful field and are accustomed to seating up to 7,000 fans. They always have a good team too," he added warily.

• • •

NOLL, operating with only 13 members in this age of the two platoon, has escaped serious injury trouble to date. Only reserve fullback Eugene Spejewski is sidelined with a broken nose. The 150-pound senior has had a string of tough breaks including a broken leg last year. Regular fullback and linebacker Ira Judge is recovering rapidly from minor ailments suffered in the Fremont contest.

Edward Robak has been doing an able job as signal caller and passer for the Huffine T-formation while left half James Bell proves his worth as a runner, passer and defensive end. Peter Rodriguez mans the other backfield spot.

Doing a workmanlike job in the center of the Noll line are three stocky juniors. Pivotman Thomas Yorke switches to linebacker on defense while Richard Lesniak and John Wadas retain their guard spots all the way.

The other full time regular is Ronald Zielaskowski, who reverses the Graney-Flaherty trick by moving from tackle to end when Noll gives up the ball. Graney, by the way, has improved his value to the team by developing into one of the finest punters Huffine has ever handled.

• • •

"WE CAN have a good season if the boys can stay in one piece," concluded Huffine. "With our schedule you don't get many opportunities to experiment, so I'll just hope my lucky thirteen can hold up."

Bishop Noll Warriors Blank Fort Wayne Irish, 26-0

THOMAS J. SEROCZYNSKI

Fort Wayne—Fort Wayne Central Catholic, reportedly this year's best school-boy team in the one-hundred-fifteen-year-old Cathedral town, last week fell before the blue and gold clad Warriors of Hammond Bishop Noll, 26 to 0.

For the first eleven minutes of the game the massive 202-pound Fort Wayne Irish line successfully checked the onslaughts of the "Light Brigade" from Hammond. Then the roof suddenly fell in on the Irish as Dave Mellady instinctively followed the destructive blocking of Gene Rodriguez into the clear to outrun the entire Irish team for 50 yards and the first score of the game. Ira Judge split the uprights to give Noll a 7 to 0 lead as the quarter ended. Six plays later and still inspired by Melladys brilliant run, Noll unleashed a devastating passing attack as Ed Robak, Noll's ace quarterback, threw a perfect 48 yard touchdown strike to big Mike Graney. Dependable Ira Judge again split the uprights to send Noll to the locker room for their half-time rest with a 14-point lead.

On the last play of the third quarter, Robak again hit Graney with a 55 yard pass to put the ball on the Irish 5, but Noll was unable to score as the Irish put up possibly their best defensive stand of the night.

In the fourth quarter, Noll's Robak treated the customers to a display of deadly accurate passing as he hit 5 out of 5 to end his night's work with 7 com

Warriors To Welcome Old Grads

By LOREN TATE
(Times Sports Writer)

Spoiled homecomings have become the order of the day where Morton High School is involved.

Coach Maurey Zlotnik, who has seen Morton's annual festivities dimmed by Hammond High last year and Benton Harbor, Mich., this season, likes nothing better than to take his spite out on Karl Huffine, his former Hammond High mentor now coaching Bishop Noll. All in the spirit of friendly competition, of course.

Zlotnik, who played center for Huffine from 1929 thorugh 1932, invaded mirth-filled Warrior premises last season and dampened Noll enthusiasm with a 13-6 victory.

"I would have settled for a tie," smiled Zlotnik. "We were pretty lucky to win that one."

In attempting to steal the show for the second consecutive year on the unfriendly tribal grounds Friday, Zlotnik is not pessimistic.

"This is a better club," he stated proudly. Since becoming a four-year school four years ago, the Governors have shown steady improvement. Playing without seniors in 1952, they had only a tie to show for their efforts. However they kept working, won three of nine in 1953, finished at five and five last year, and are now in a position to look anybody in the eye.

The colorful Zlotnik went on, "Yes, we are improved, but Huffine is in better shape this year too. He'll be pointing for me this time."

• • •

IT IS TRUE the stocky Warrior mentor has not forgotten last year's meeting. "We haven't got anything up our sleeves. We'll just play good hard football. I hope we can stay clear of injuries," he frowned.

Noll is working this week on polishing its already rugged defense. "We face a different type of team every week," Huffine grimaced, anticipating the varying single wing used by his junior adversary. Linebacker-fullback Ira Judge and guard Robert Smolar are rounding into shape following minor injuries, and will be able to back up the Mike Graney-James Flaherty anchored line. The Warrior crew has given up only one touchdown all year but it meant a 7-0 loss to Fremont Ross.

Morton, Noll Do Battle on Warrior Grid

Perfect football weather, a commodity not present last week, await Bishop Noll and Morton tonight when the two teams clash at Noll Field.

Ideal weather with the mercury reaching in the 80s in the afternoon and dropping to 60s this evening was the word from the weather bureau.

The Noll-Morton clash, homecoming for the Warriors, was postponed Friday because of rain. That same reason was the cause of the delay from Thursday of the East Chicago Washington-Gary Tolleston battle which was rescheduled for tonigth. That contest also is slated to begin at 7:30 p.m.

Morton and Noll each have won two and lost one while the Hessville squad has an added tie attached to its record.

Noll Warriors Beat Morton, Hobart In Five D

THOMAS J. SEROCZYNSKI

Noll 20 Morton 6

Hammond Bishop Noll celebrated its thirty-third annual homecoming by blasting a solid Hammond Morton team 20 to 6.

Morton unleashed a scorching attack in the first sixty seconds of the game that just about wilted the golden petals on the homecoming mums, as they passed and ran sixty five yards to a touchdown. That was the second time in four games that Noll had been scored upon. Morton failed to convert when alert Noll defenders batted down a Stryzinski pass over the goal line.

When fifty-four seconds left in the first half Noll's Ira Judge ripped through Morton's line to block Stryzinski's punt on Morton's 45. On the first play from scrimmage Noll's line opened the door for Dave Mellady's 35 yard sweep around end. The hundred forty pound half back was stopped on Morton's 10. Three plays later Jim Bell bulled his way across to tie the score. Judge's first conversion was nullified and his second try was wide.

With six minutes gone in the third quarter a fired up Noll team sprung Mellady loose around end and led him out into the clear for 66 yards and another Noll T D. Judge converted to run the score to 13 to 6.

Midway in the fourth quarter Greg Tomko cut inside end and headed 45 yards down the northern sidelines for Noll's third T.D. Judge again split the uprights to run the score to 20 to 6 where it stood when the final whistle blew.

Noll 35 Hobart 7

Inspired by the postponed homecoming game, the Noll Warriors traveled to Hobart where they routed a good Brickie team 35 to 7.

In racking up their fourth win of the season Noll's line again rose to the occasion as they throttled the Hobart offenses and opened gaping holes in the Brickie line through which a procession of classy Warrior backs ran almost at will.

Eddie Robak started Noll's parade when he gathered in a Hobart punt and behind a beautiful display of TEAM blocking dashed 65 yards to a TD. Ira Judge kicked the first of his 3 extra points of the evening to send the score to 7-0.

On the first play of the second quarter Dave Mellady took a handoff from Robak and raced around his own right end for 83 yards to Noll's second score. Judge sent the score to 14-0 as he again split the uprights.

a Stryzinski punt and the Warriors took over on the Morton 45. Dave Mellady, a standout all evening, took a handoff and galloped 35 yards around right end to the 10. Three downs later Jim Bell stabbed into the end zone. Judge made the first placement but it was nullified. His second try was wide and the two teams reached the half deadlocked at 6-6.

Midway in the third frame Mellady, running from the left half spot, took a handoff from Quarterback Ed Robak, faked a slant through right tackle and swung wide around right end. Once he cleared the right barrier he cut to the middle and sprung clear, thanks to a block by Pete Rodriquez, to score after traveling 66 yards. Judge converted.

With nine minutes left, Greg Tomko took a handoff swung wide to the right but cut inside end and headed for the sidelines. Forty yards later he had registered the third Noll touchdown and Judge put the final point on the board with his second successful boot.

EXCEPT for that scoring surge, Noll had complete command. Most of the first two quarters following the Morton score were played in Governor territory. Mike Graney twice put Zlotnik's squad in the hole with punts that died inside the 10, one coming to rest on the two-yard line.

Offensively Noll stuck with the T formation throughout. Morton used the winged-T, unbalanced line to score.

Defensively both squads relied on 6-2-2-1 defenses.

Although Noll held a slim 9-7 edge in first downs, the Warriors displayed a ground attack that registered 249 yards to Morton's 91. Through the air the Governors held the edge, 95 to 22.

St. Joe Next for Noll

Karl Huffine says his Bishop Noll Warriors are a weary tribe. "That South Bend Central outfit really gave us a going over," Huffine related Monday afternoon. "Our boys said that was the toughest line they've faced all year."

Fortunately for Noll, the next opponent, South Bend St. Joseph, figures to be the least formidable of three foes left. St. Joseph provides the opposition for the Warriors at Noll Field Friday. Hammond High and Gary Roosevelt follow on successive Fridays.

"We haven't got anybody hurt," says Huffine, "but the boys are tired after that 6-0 victory over Central. Man that was a tough team.

Noll will be going for its sixth victory against one loss Friday.

• • •

ST. JOSEPH will field a team that has won four and lost three. The Indians run out of a T formation using both the tight and the split variety and employing flankers much of the time. Saturday night St. Joseph upended Rochester by a 25-7 count.

Seldom in its five conquests has Noll's running and passing attacks clinked in unison.

"We've had one or the other working for us most of the time though," opined Huffine Monday. "If we'd have been on our passing game against Morton we'd have had two or three more touchdowns.

"Against Ft. Wayne (26-0 loser to Noll) our passing looked good. Up until last week our running game looked awfully good. But we didn't get anywhere against South Bend Central running."

Noll gained a slim 92 yards running to South Bend Central's 188. Air-wise the Warriors threw nine times with Quarterback Ed Robak completing six for 82 yards. The Bears tossed nine also, clicked on three and netted 70 yards.

• • •

"WE WENT to South Bend intending to throw a lot more than we did because we figured they might stop our running attack," Huffine expounded Monday. "But they'd get the ball, march to our 20 or 25 and then we'd be in no position to throw.

"Finally they fumbled and Robak threw four complete passes and the last one hit Graney (End Mike Graney) for 12 yards for our score."

If Saturday's game with Rochester is any indication, St. Joseph is vulnerable to a pass attack. Rochester gained only 36 yards rushing but ripped off 152 yards passing on 11 completions in 23 attempts. St. Joseph ground out 241 yards on the ground and 73 through the air on four of eight aerials.

Noll's Battlers Guard Third Place in Ratings

Bisho Noll will be protecting the third ranking spot in Indiana high school football tonight when South Bend St. Joseph (4-3) brings a "nothing to lose" squad to bear against the red-hot Warriors. The Litkenhous Difference by Score Ratings place them in the elevated position, much to the secret delight but open disdain of the Noll coaching staff.

Karl Huffine's aggregation steamed into state limelight just two weeks ago with a sparkling 35-7 rout of Hobart and rose to the present standing by dumping South Bend Central, 6-0, Oct. 21. A 3-6 record in 1954 gave no indication of the rapid climb.

• • •

NOW IT APPEARS the Warriors have reached their highest possible point, with undefeated powerhouses, East Chicago Roosevelt and South Bend Adams, securely in the top two spots. The question is, "what factors have brought Noll from relative obscurity to its present dignified post?"

Huffine, somewhat puzzled himself, explains it this way. "Those kids have got that little indefinable extra that it takes to pull out of a tough spot. This is a team of clutch players. We have no great stars, just a bunch of battlers."

Noll has put together a sturdy defense which has allowed only 20 points in six games. A rugged line is backed by such boys as Ira Judge, Rich Lesniak and Bob Smolar and a lightening fast secondary. They have completely smothered the opposition on three occasions and given up a single tally on three others.

• • •

THE OFFENSE has demonstrated the ability to score from any position at any time. Long backbreaking runs have been commonplace. The passing attack of Ed Robak to James Flaherty, Mike Graney and James Bell is well above average and has taken up the slack when the ground game falters.

Noll does not have a perfect record. Fremont Ross (Ohio) edged the Warriors, 7-0, on a muddy field Sept. 23. But the Huffine crew is untouched in Indiana competition. After tonight's joust the Braves will don the warpaint two more times. Hammond High will play host Nov. 4 and Gary Roosevelt will attempt to derail the charging band one week later at Noll Field.

WARRIORS UNBEATEN IN INDIANA

Noll Cashes on Speed, Alert Defense

Bishop Noll, still dependent on a lightning-fast scoring attack and an impregnable defense finished its season undefeated within Indiana ranks with a 13-0 victory over stubborn Gary Roosevelt. The Panthers, co-winners of the Gary crown, finished with a 5-3 record.

It was the seventh consecutive triumph for Karl Huffine's Warriors who saw their goal line crossed only three times all year and not at all in the last four games. However, an early-season loss at Fremont Ross, Ohio, left them slightly behind their 1951 record of eight wins and a tie.

Fleet halfbacks Jim Bell and Dave Mellady again provided the Warrior scoring punch while fullback Ira Judge paced the defense. Bell garnered his ninth touchdown of the fall campaign with less than two minutes elapsed and Mellady rang up his seventh tally with less than two minutes remaining.

• • •

JUDGE pounced on a Roosevelt fumble before the Panthers had gotten their bearings. Taking over on the 38, Mellady burst to the 11 in two plays and Bell carried it over from there. Judge's placement was no good but it didn't matter. Roosevelt never fully recovered from this opening shock.

The towering punts of end Mike Graney kept the Panthers at bay when the Warrior offense stalled. Two first-quarter passes from Roosevelt quarterback Jerome Morgan to end Roy Pratt helped navigate the Panthers to the Noll 9 but they lost possession there.

Mellady served notice of his closing touchdown with a 46-yard burst in the third period but a clipping penalty erased this apparent score. Judge had recovered his second fumble of the game to set up this futile jaunt.

Noll, nursing the dangerous six-point lead, kept the pressure on Roosevelt right through the final period, although the possibility of a winning Roosevelt dash was always present. The scrappy Huffine crew advanced to the Panther six midway in the last stanza, but stalled there.

Having one last opportunity, Roosevelt still could not break one of its speedy backs loose. After moving up to its own 40, it fumbled and Bob Smolar recovered. Mellady slanted off tackle and went all the way to send the crowd on its merry, or not-so-merry way.

• • •

IT WAS a tremendous season for the previously unheralded students of coach Huffine. A three won, six lost mark in 1954 and an admittedly thin varsity group gave no indication of a state title contender.

With all the emphasis placed on offense in this score-conscious age, perhaps a special nod should be given this team which allowed only three touchdowns over a rugged nine-game schedule.

"Those kids have speed and they just love to hit," generalized Huffine. And turning to particulars, he added, "We like for a team to pull its guards to block. Our little guys shoot through there and get them before they get started. They are quick and can recover fast."

Huffine worked especially hard on defense every week. "We never faced the same type of a team twice," he smiled, "so we had to make special arrangements for every team." The veteran coach favors a 4-4-2-1 setup but used about every formation imaginable as well. "We like to keep them guessing," he smiled.

• • •

BUT NO defense is any good unless you have the "horses". Linebackers Ira Judge and Bob Smolar turned out to be as aggressive and shifty a pair as any coach could ask for. Jim Bell moved up to end on defense and was almost impossible to get around.

Rangy ends Mike Grancy and James Flaherty moved to the rugged tackle positions and did an exceptional job. Bernie Krueger, Hammond High coach, stated "Huffine can't use a four-man line unless he has a great pair of tackles. That's where the pressure is." Graney's punting was another item not to be forgotten in the defense. His equal as a kicker was not seen in this region this fall.

Huffine enjoys talking about his "little guys" in the secondary more than anything else. Weren't they something?" he said with a wide grin. A casual look at Ed Robak, Greg Tompko, Pete Rodriguez and Jim Christie gave one the impression that they were not overly large.

Noll Bags Cats, 25-0

A powerful Bishop Noll football machine, with all the cogs in perfect working order, scored in every quarter to trample a helpless Hammond High squad, 25-0. The Warriors demonstrated the ideal combination of an alert, unyielding defense and a relentless, sometimes spectacular offense in ringing up their seventh win against a single loss.

The home-field defeat marked the end of the season for the battle-weary Hammond High crew. Bowing out with three straight losses, the Wildcats finished with a 3-5-1 mark. Bishop Noll has one refaining game at home against Gary Roosevelt Friday.

Noll lost little time in showing its superiority. After forcing Bernie Krueger's aggregation to punt from its own two, the Warriors charged to the Wildcat goal in eight plays. Jim Bell burst over from the two to cap the 35-yard drive.

• • •

AFTER SEVERAL sputtering marches and punt exchanges Jim Christie sealed the Noll decision on the first play of the second quarter. The little scatback snared the first of three Noll interceptions and scampered 65 yards down the east sidelines into the south end zone. Neither team could manufacture a sustained drive and the half ended, 12-0.

Bishop Noll continued to dominate as it marched 62 yards after the second half kickoff. Dave Mellady and Bell sparked the march and Bell got his second touchdown on a six-inch dive.

The most sparkling play of the game was saved for the final quarter. Mellady shot around right end, hurdled a tackler, dodged several, ran through one, lost a shoe but stayed on his feet for a sparkling 67-yard romp. Ira Judge added the extra point to bring about the 25-0 final.

The Wildcats did not advance inside the Noll 30 all evening.

OLE DOC Litkenhous will announce tomorrow that East Chicago Roosevelt and Bishop Noll rate 1-2 among Hoosier prep teams . . . All of which constitutes a glowing tribute to the brand of football played by two schools hardly more than a mile apart as the crow flies.

Most coaches who've seen both teams rate Roosevelt considerably better than its 2.1 point advantage over Noll in the Litkenhous ratings. They feel that Roosevelt's big bad line — one of Ernie Miller's better productions — would be decisive in any clash of these two powers.

Noll's only defeat (7-0 in the mud) came at the hands of Fremont, Ohio Ross. The Warriors play their finale Friday against Gary Roosevelt which is strongest just where Noll is strong—Speed.

Warrior victories include lopsided wins over Morton's Hammond city public school champions and Hammond High's runners-up. If Noll beats Roosevelt, the Warriors can also lay claim to a piece of the Gary "city championship" inasmuch as the Panthers tied Emerson at 4-1 in the Steel City dogfight.

Warrior supporters also point to another score comparison which bolsters their high ranking. They defeated South Bend Central, 6-0, and Central is the same outfit which trampled Adams — Roosevelt's NIHSC playoff foe—by a 23-12 count Saturday night. The Adams Eagles qualified for the playoff by winning a coin toss from South Bend Washington and Fort Wayne North Side after the trio had tied for Eastern Division honors.

Litkenhous

East Chicago Roosevelt vs. Bishop Noll.

That battle won't come off but if it did, there would be a ding-dong thriller with Roosevelt rating a less-than-a-point favorite.

So says Dr. F. H. Litkenhous who rates teams for The Hammond Times using a Difference by Score system. He thinks the Rough Siders are the best team in the state with a 85.8 rating and puts Noll in second place with an 85.1 marking.

It's the second year in a row that Roosevelt has been accorded top spot and the second straight year that the amazingly accurate Dr. Litkenhous has proven controversial. Last year the Litkenhous rankings wound up with Roosevelt on top much to the distress of Whiting folks who thought their Oilers should have been rated No. 10.

The top 10 shows Northern Indiana to be solidly in command with six of the first seven spots going to teams in the Northern Indiana High School Conference.

Following Roosevelt and Noll in order are: Fort Wayne North Side, South Bend Washington, South Bend Central, South Bend Adams and LaPorte.

Marion in eighth place salvages some prestige for Central Indiana while Evansville Central and Evansville Reitz offer Evansville fans some comfort in ninth and tenth spots.

Warriors Win Handily

Washington, Noll Face Tests Tonight

Bishop Noll and East Chicago Washington, two of the Calumet Region's classiest high school basketball combinations, campaign tonight to add luster to their reputations.

Unbeaten Noll travels to Merrillville in quest of victory No. 5.

Washington takes on South Bend Adams at the East Chicago Roosevelt Gym with the Senators striving for their fourth victory in five games.

Elsewhere, Hobart travels to Calume Township, Gary Tolleston and Gary Lew Wallace clash in a Western Division contest at Memorial Auditorium while Gary Edison takes on Portage on the latter court. Both those teams are undefeated.

In Merrillville, Noll faces a team sporting a one win, two loss record. The Pirates fell to Gary Roosevelt, 64-48, in their last appearance and lost to Calumet Township, 72-65, in their opener.

Don Hatten, a 6-6 veteran, will be the leading Merrillville pointmaker.

Hudson has 6-6 Mike Graney and Bob Bradtke to counter Hatten. Graney has scored 62 points in four games and has walked off with 19 point totals in each of his last two games. Bradtke has totaled 68 points in four games.

Calumet goes against Hobart with a record of four straight wins after an opening game loss to

Noll Crushes Merrillville Quint, 74-45

CROWN POINT — Not many people thought Bishop Noll would be as strong this year with Ron Loneski graduated as they were last season when the Warriors wound up with a 19-3 record.

But the signs point to another potent Noll combination. Last year the Warriors won nine straight before Gary Roosevelt served up a defeat.

It's just possible the Warriors could be holding a 10-game winning streak the next time they bump into Coach John D. Smith's Roosevelt outfit. That will be Jan. 6 in the Civic Center.

• • •

TO ACCUMULATE the 10-straight streak Noll will have to top Brazil Saturday, win the Hammond holiday meet Dec. 27 and come back from the Frankfort holiday tourney with the victor's trophy.

That's quite an order. To date Coach Eddie Hudson's Gladiators have won five with the fifth triumph being gained at the Crown Point Community Gym Wednesday night over Merrillville, 74-45.

Despite the final score the firing was about as exciting as mommy kissing Santa Claus for more than a quarter. Noll's margin after one period was a point, 17-16. Midway in the second frame it was 27-26, Noll, when the Warriors made their

Hudson's clan chalked up the next 10 points with Bob Bradtke kicking off the spurt with two quick field goals and Mike Graney adding his two points worth.

By halftime the lead was 37-26. Noll swelled the margin in the third quarter by coming up with 19 points to Merrillville's seven.

How could Noll come close to duplicating last year's showing when the 6-5 Loneski, 6-6 Graney and Bradtke, as fine a feeding and scoring guard as the Calumet will produce this season, were on the same squad? Wednesday's game will show why.

• • •

MORE BALANCED scoring is one reason. Graney must get most of the rebounds and Bradtke must be a heavy contributor to the scoring column but the rest of the Warrior squad can be depended upon to manufacture points.

Against Merrillville the five quarters each tossed in six or more points with four of the regulars getting nine or more. Bradtke was tops with 22 points on 11 baskets, most of them jumpers. Graney was next with 15 followed by Allan Adzia with 11, Bob White with nine and Jim Bell with six. Reserve Russ Marcinek threw in eight more.

Don Hatten, Merrillville's 6-6 center, led the Pirates with 15 markers and Bob Angerman added 14.

Graney's 19 Leads to 6th in Row

Bishop Noll won its sixth game without defeat, 68-45, over Brazil Saturday night in the Civic Center. Mike Graney and Bob Bradtke again led the abbreviated first-string attack with 19 and 16 points respectively.

Brazil battled Eiddie Hudson's cagers on even terms through most of the first quarter and came out only three points in arears. But Braney popped two and Bradtke three is succession to stop any ideas of an upset. The Warriors led by 14 points at halftime with reserves already trickling into the lopsided contest.

• • •

GRANEY, WHO makes a habit of disposing of tall pivotmen, again turned the trick against 6-6 Larry Crabb. Crabb managed only two points on a lonesome hook shot. Marve Buck got 14 points for Brazil.

Frequent fast breaks and a minimum of fouls made the Brazil defeat as quick and painless as possible. The Warriors next contest will be against Hammond Tech in the second game of the Civic Center Tournament. Thus far no team, including Tech, has come within 18 points of Noll. The Warriors are averaging 75 points per game compared to the opponents' 48.5.

Noll is really good—possibly better balanced than last season—and it's too bad Coach Eddie Hudson hasn't been able to wangle a better schedule . . . In similar vein, it is unfortunate Hammond High can't trade some of those annual "sure things" in the Western Division for more strong outside foes. . . .

Noll is here to stay as a basketball power . . . So is Gary Roosevelt . . . Hammond High, East Chicago Washington and Gary Froebel have been tough down through the years . . . If these five played a round robin each season every team would be sharper by tournament time . . . and there wouldn't

INDIANAPOLIS (UP)—Indiana's high school basketball rankings were in for some streamlining today after top-ranking Indianapolis Attucks barely nosed out city foe Tech for the Capital City holiday tourney crown, Hammond Noll ran off with its second major triumph of the week and Gary Roosevelt and Monticello tumbled from the perfect ranks.

NOLL, ranked only 11th in this week's United Press Coaches Poll, cut up the Frankfort competition to capture its second major tourney in three days.

The unbeaten Warriors, champs at Hammond Tuesday, knocked 10-game winner Monticello from the unbeaten ranks, 71-44, then routed Crawfordsville, 83-58, to take home laurels from Frankfort and finish the first half of the season with a 10-0 record. Monti, tied for seventh place in the state, salvaged consolation honors, trimming the host club, 65-50.

East Chicago Roosevelt shattered Portage's 8-game string, 51-50; LaPorte, with Harry Turak hitting 25 points, walloped host Michigan city, 61-35, and Plymouth dumped Lapaz, 58-61, at Plymouth. In the consolation game, Fred Doelling exploded for 36 points in Valparaiso's 65-59 win over Culver.

Coach Eddie Hudson's Noll crew will be seeking to boost their victory string to eight without a loss. Should the Warriors face Martinsville, once beaten and seven times victors, they will be against their first major opposition of the season.

IF THE Associated Press poll, released today, is any indication, Noll has gained prestige the last week while Hammond High's lustre has dimmed.

A week ago Noll ranked 16th; today the Warriors are the sixth best prep team in Indiana according to sports writers and broadcasters. Hammond High now shares 12th, a fall of five rungs from the seventh spot the Wildcats held a week ago.

"They are the best I've seen, period," said Howard Mathas.

The veteran coach, in his first year at Glenn, had been a helpless Civic Center spectator Saturday night as his Pirates were swept under by a Bishop Noll tidal wave, 72-54. Noll's 14th in a row snapped a six-game skein by Glenn.

• • •

MATHAS wasn't just talking for the fun of it. He continued, "I saw the Lafayette Holiday Tournament, and in addition to the teams we have played, I have seen quite a few others. Noll isn't as big as Terre Haute Garfield but they are definitely better. Garfield is one of the best in our area. Graney just killed us under the boards but he wasn't alone." Mathas stated he has not seen No. 1 rated Indianapolis Attucks.

The small Glenn squad, with only 6-3 center Dave Moore over the six-foot mark, used a sagging, collapsing zone to hamper Warrior point production for a half but Noll solved this with lightning fast break. The Warriors were free to run with Graney taking almost all defensive rebounds to

Mishawaka Win Erases Last Doubt

By LOREN TATE
Times Sports Writer

"I'll have to go along with my boys this year."

It's Eddie Hudson talking on the much-discussed subject of whether the current Noll team, winner of 16 without defeat, is better than last year's 19-3 aggregation.

Before the Mishawaka game Friday, Hudson stated, "If we keep rolling at Mishawaka I'll have to say we're as good, if not better, than last season. We lost a great player in Ron Loneski but all the other boys are vastly improved. This has been a steadier club. We had some bad moments last year."

The Mishawaka game left no doubts. The Warriors sizzled to a 48-17 lead and coasted in with the reserves playing the last quarter, 79-58. Big Mike Graney reportedly "owned the Maroon rims" and superlatives bounced about Bob Bradtke's name.

• • •

"I WAS hesitant to compare the two teams," said Hudson. "But I think it is time to give the boys credit. Maybe we haven't reached the heights we did in losing to Attucks, 72-71, last winter, but we've been more consistent."

"Our schedule didn't turn out to be as tough as I thought it would be," Hudson continued. Attucks is not on the slate and most of the other teams are weaker than usual. But you can't let this detract from the way this squad has performed."

HUDSON

Just how tough is Noll's 20-game slate? Based on the latest Associated Press ratings, the Warriors have met only one team in the upper 20. Monticello, still rolling along with only the single defeat, a 71-44 holiday trouncing by Noll, is ranked 15th. The Indians did little to up their position with a four-point conquest of Elwood Friday although a 53-35 conquest of Muncie Burris Saturday was nothing to be ashamed of.

Other out-of-area hopefuls, Brazil, Glenn and Sheridan were much too small for the rangy Warriors and only Morton of the Calumet area challengers sent the varsity sweating to the showers. Morton paid for its boldness the second go-round.

INDIANAPOLIS — Bishop Noll won its 19th game in a row and moved within one game of a perfect regular season record as it downed Indianapolis Cathedral, 76-62, at Indianapolis.

Bishop Noll Coach Eddie Hudson was pleased with the manner in which his Warriors bucked up under the frightful traveling conditions and the Indianapolis flash bulbs to waylay Cathedral Saturday night, 76-62.

"Our train was an hour late in traveling from Chicago to Kankakee," said Hudson. "We were late getting there and we didn't have much time to get ready but the boys made a pretty good showing." Hudson added that the game was well covered by the Indianapolis press. Attucks' victory over the same Cathedral club Wednesday, 65-44, led to many comparisons between the No. 1 and 2 rated quintets.

• • •

HUDSON was heartened by Allan Adzia's second consecutive venture into the teens. Adzia collected 31 points over the two-game weekend to dispell some Warriors fears that Mike Graney and Bob Bradtke have to carry too much of the scoring burden.

"We moved and shot pretty well, although it took us a little while to get going. We played much better ball than we did Friday night against Fort Wayne Central Catholic. I think we're back on the beam now. The only boy I'm worried about is Russ Marcinek. His back is giving him trouble and he saw only a few minutes of action over the weekend."

T THIS FINAL victory didn't easy. Brad Snyder paced an -minded Blue Raider club to

with 15 points while the glassy-eyed Warriors accumulated 16.

Six-one Snyder, timing his jumps perfectly, controlled the boards for two quarters but was shoved into the background as Mike Graney and Bob Bradtke revived from the miserable first half to post 18 and 20-point nights. The left-handed Snyder finished high with 26 points.

Tolleston, which had passed sharply and accurately and had hit the bullseye on eight of its first 10 shots, fell completely apart when Noll applied the all-court pressure.

After getting only one fast-break basket in the entire first half, Noll came charging back as Graney and Bradtke hit two close ones each. Bob White's layup, Jim Bell's free throw and Graney's tip had Noll within two points, 31-29, before the Raiders knew what hit them.

Allan Adzia's pair of free tosses tied the count at 33-33 with 2:47 remaining in the third quarter and Bradtke's jumper put Noll ahead to stay just seven seconds later.

Tolleston never threatened in the final period. Graney pumped for four field goals before retiring with 4:08 remaining and the Warriors slacked off from their storming tactics to coast in with a 61-40 victory.

• • •

TOLLESTON did a fine job of controlling the ball during the first half. Joe Vance's boys cashed in on 12 of 25 carefully calculated attempts as they used the bounce pass effectively. Noll, in the meantime, could not get its fast break moving and hit only five of 17 attempts.

But Tolleston, which had played near perfect ball for a half, could hardly get the ball over the center line after that. Hurried and excited by the all-court defense, the Raiders lost the ball to Noll on 17 occasions.

Tolleston managed only four baskets after the intermission as bad passes, steps and charging violations plagued its attack. Noll took advantage of every opportunity to ring up 17 of 31 shots for an overall total of 22 for 48. Both teams hit 17 of 23 free throws.

A Bishop Noll "B" team, coached by John Dermody, made it a perfect evening with a 35-34 squeaker over the Tolleston reserves. The junior Warriors finished the season with a 5-8 record.

STEAKS FOR WARRIORS

'It's Wonderful'—Hudson

GARY—"It's a wonderful feeling to win them all," shouted an elated Eddie Hudson after Noll's 20th victory over Gary Tolleston.

"The thrill of this moment can never be taken away from us. Didn't we come back in that second half? We showed a lot of heart." He congratulated all his boys and made arrangements for all to celebrate with steaks and the trimmings.

"That was 20 — now for 21," continued Hudson. "We'll be ready for Hammond High. This club proved it can come from behind. Tolleston gave us fits and it looked like we were done at the half. Joe Vance is a fine coach and he had his boys primed for this one. That Brad Snyder is a terrific all-around athlete. Tolleston could cause some trouble in the Gary Sectional."

• • •

VANCE DID not appear too disappointed at seeing his upset-of-the-year go up in smoke. "We made too many mistakes. They sure had us rattled that second half—imagine, 17 times we gave up the ball without getting a shot."

Vance, whose seat on the southwest side of the gym gave him a clear view of the aggressive Noll press, thought the Warriors did a marvelous job on defense.

"The referees handled the game very well. We just ran out of gas," he said, overruling the feelings of several of his fans and players who slowed the officials' paths to the dressing room with unfavorable remarks.

Several area coaches witnessed the contest and to say they were amazed at halftime is an understatement.

"This coaching business can be a rough life," said East Chicago Washington Coach Johnnie Barato as he pondered Noll's 29-16 deficit.

"Yes," replied Gary Froebel's Mickey Sofiak. "thank heaven for the off season. It isn't far off." Sofiak has a feeling his Blue Devils may last a good while longer this season though.

"We were really hot against Clark Wednesday. Man, we tore up those nets. If we had hit like that against Hammond High we would have won," said Sofiak. "I think we're back on the ball."

• • •

JOHN D. Smith, Gary Roosevelt coach, sported a budding but well-trimmed beard in commemoration of both his own and Gary's 50-year celebration.

"Yeah, I'm getting up there," smiled the ever-pleasant Smith. He shook his head about the Noll halftime quandry.

"I happens like this sometimes. We looked this bad in our last regular season game last year but we ended up going to the state finals. You can't tell about this

Noll Gets 2 Seconds, Cats One Fourth in Cage Polls

INDIANAPOLIS (UP)—Indianapolis Attucks, which wants to go last year's "Bombers" one better and become the first Indiana high school basketball champ with a perfect season record, today topped the United Press Coaches Poll for the fifth straight week.

As last week, coach Ray Crowe's Flying Tigers collected 18 first-place ballots and added two second-place votes for 198 points, two short of a clean sweep, as Richmond gained the "Big 10" for the first time, and Madison regained it.

Except for Gary Roosevelt's honorable mention in the UP ratings, no other school in the Calumet was mentioned by any of the three rating systems.

Noll "Slips" a Bit

Hammond's Bishop Noll High School held second place in the United Press and Associated Press ratings but dropped to third behind Crispus Attucks and Seymour in the revised Litkenhous list. Hammond High climber to fourth in the Litkenhous ratings but was ranked 14th by United Press and 11th by Associated Press.

• • •

HAMMOND Noll, owner of a 14-game winning streak, remained second with 169 points, Seymour remained third with 126 and South Bend Central 10th with 28.

Richmond, which blasted Logansport last Friday, leaped from 16th to eighth place while Madison, previously 10th but 12th last week, moved up to ninth.

Elkhart and Kokomo moved up one notch apiece, while Lafayette and Anderson skidded slightly and Princeton and Fort Wayne South lost their lofty rankings.

Elkhart climbed from fifth to fourth and Kokomo from seventh to sixth. Lafayette dropped from fourth to fifth after being upended by Indianapolis Tech and Anderson skidded from sixth to seventh. The Indians lost a Saturday outing at Columbus.

Princeton slipped to 12th from eighth following Bloomington's upset victory and South Side was voted down from ninth to 11th, thanks to New Haven's surprise win.

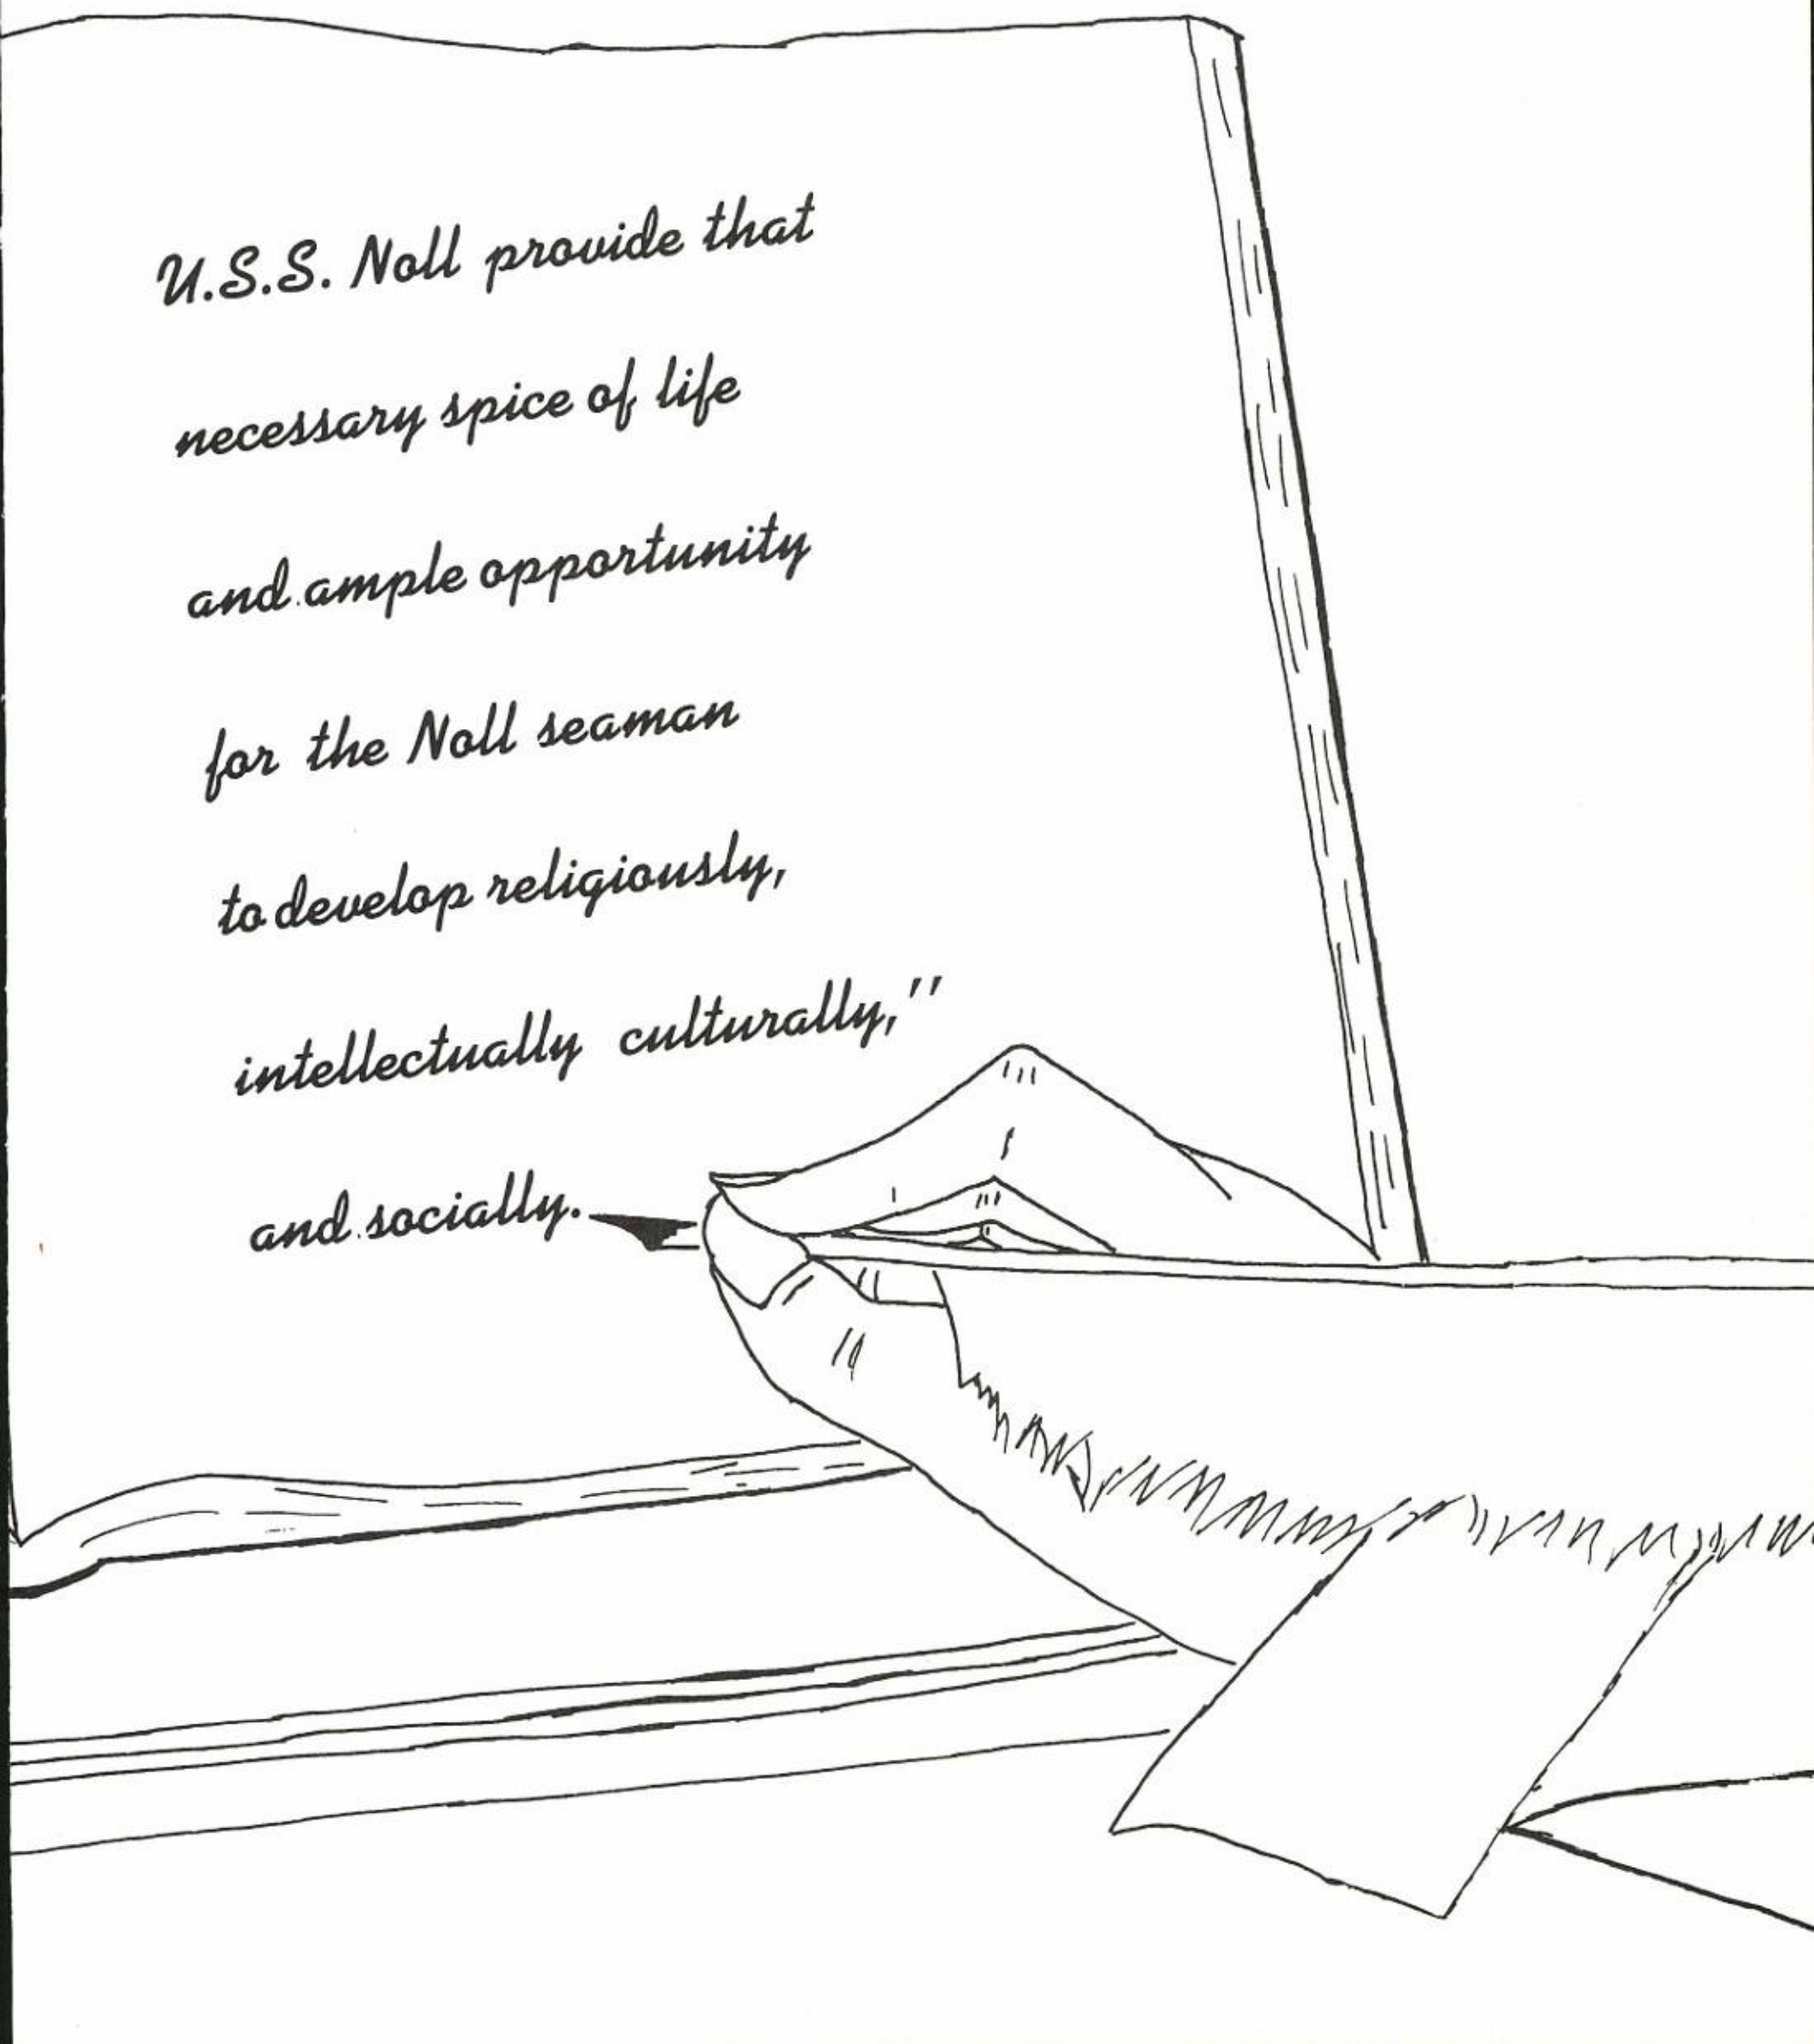
Activities:--

Ship life would be very monotonous without some variety and diversion. Extra-curricular activities on the

U.S.S. Noll provide that
necessary spice of life
and ample opportunity
for the Noll seaman
to develop religiously,
intellectually culturally,"
and socially.



Student Administration

Heading the Student Administration are Dave Mellady, president; Aurelia Duralski, vice-president; Jane Austgen, recording secretary; and Jim Hudspeth, treasurer.

The Judicial Department of the Student Administration is composed of (seated): Stephanie Badanish, senior judge; Eugene Spejewski, chief justice; John Wadas, junior judge; Jeannette Knight, sophomore judge. Marge Wontorek and Bobbie Kramer, standing, serve as court clerk and reporter respectively.

The President's Cabinet is composed of Larry Zabrowski, secretary of discipline; Margaret Deakin, secretary of activities; and Dennis Evans, secretary of traffic.

The Senate of the Student Administration is composed of: seated: Terri Vichuras, Janet Sedlak, Geraldine Kosinski; standing: Francis Cergizan, Michael Hughes, Richard Lesniak, Richard Meister, and Richard Pietranczyk.

Senior members of the House of Representatives of the Student Administration are Robert Rudzinski, John Chute, Arlene Saklaczynski, James Mason, Adrnew Fabian, Ira Judge, and Douglas Keilman.

Junior members of the House of Representatives are Ronald Mertz, Michael Urbanek, Pat Galvin, Mary Lou Topa, Jack Clover, Russell Marcinek, Robert White, and Larry Sommers.

Sophomore members of the House of Representatives are: seated: Andrew Kotulski, Kay Mellon, Mary Lee Bell, Walter Kozubal; standing: Jerry Keilman, James Christie, and Jack Duray.

Freshman members of the House of Representatives are: seated: Irene Krivaila, Kathleen Ennis, Veronica Barragree, Mary E. Shapley; standing: Dennis Vojvodich, John Kleeb, Victor Kapetanovic, John Breclaw, Robert Schutz, and Thomas O'Sullivan.

National Honor Society

The National Honor Society, now in its eighth year of existence at Noll, has its official purpose stipulated by the national headquarters of the society: "to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthwhile leadership, and to develop character in students."

Two necessary pre-requisites for membership in the society are demanded by the national headquarters: a student must have completed at least two semesters at Noll High School, and his scholastic rating must be in the upper one-third of his respective class. Once those pre-requisites are met, faculty members then elect students to the society on the basis of leadership, service, and character which they are able to observe in the qualified candidates.

Faculty sponsor of the National Honor Society at Noll High is Sister Dolata. Members of the society chose John Chute as president, Audrey Benich as vice-president, Marilyn Giedemann as secretary, and John Groff as treasurer.

Latin Club

One of the youngest members of Noll's family of clubs and organizations is the Latin Club, presently comprising students of the third and fourth year Latin class. The club set out with a will to create a name for itself and establish a firm foundation for future expansion. Its motto, "Fiat Lux Per Studium" — "Let there be light through study," provides for the greater appreciation of our Roman and Greek heritage.

Under the sponsorship of Sister Ruberta, faculty advisor, officers of the club are Judy Mellon, president; Celine Susorney, secretary; Bob Ennis, treasurer; and Carol Schreiner, reporter. Tentative plans call for extending membership to first and second year Latin students.

Tri-Opus

The Tri-Opus Club has been in action at Noll High for over fifteen years. Its purpose is to promote a Christian outlook on today's business world and provide practical demonstrations of modern business practices, methods, and advancements for its members. The club is an honorary club open to all students who maintain a "B" average in at least two commercial subjects. The club stimulates interest in greater achievement in the commercial curriculum.

The Tri-Opus Club is sponsored by Sister Gabrielta. Student officers are Richard Pietranczyk, president; Pat Clemens, vice-president; Mary Kay Spalding, secretary; and Carl Oliver, treasurer.

Prop & Publicity

The Prop and Publicity Club is one of the leaders responsible for building and maintaining school spirit at Bishop Noll High School. It is composed of sophomores and juniors with an artistic ability and an interest in producing posters to publicize various school activities.

This year particular emphasis was placed on the operetta, and the members of the club not only devoted much of their free time to the production of operetta posters, but also helped in painting the scenery used in the production of the operetta. During the Christmas season the general public of the Calumet region often viewed some of the work of Prop & Pub members, for they painted a Shore Line Bus in an appropriate motif advertising the annual Christmas Seal sale sponsored by the Lake County Tubercular Association. An average of twenty-one hours throughout the year is required of each student for membership in the club.

The Prop & Pub is under the direction of Sister Cyril, and the student officers are Teresa Murillo, president; Mary Arden Hauer, vice-president and treasurer; and Pat Duralski, secretary.

Red Cross

The Junior Red Cross, under the leadership of Sister Andrew, is a very active organization at Bishop Noll High School. It is associated with the National Red Cross Headquarters and its main objective is to assist charitable organizations sponsored by the Red Cross. Included in this year's local projects were the furnishing of Christmas gifts for European children, sending gifts to the Beatty Memorial Hospital, making Christmas favors for the aged folks of St. Ann's Home, and contributing to the local Good Cheer Fund and other local charities.

The officers of the Junior Red Cross at Noll High are Kathy Matthews, president; Ronald Pyke, vice-president; June Murphy, secretary; and Dan Renwald, treasurer.

Service Club

Completely living up to its name, the Senior Service Club, one of the newest organizations on the U.S.S. Noll, is dedicated to just that — service. Composed of senior girls who volunteer their time and efforts to the fulfillment of its purposes, the members alternate in serving the faculty in the cafeteria during lunch periods, attend to the proper assistance and guidance of visitors to the school, and are available for any other similar tasks which may occur.

The officers of the newly formed club are President Shirley Fazekas, Vice-president Marge Janz, Secretary Cathy Janz, and Treasurer Nancy Ryan. Under the guidance of Sister Ivan the Senior Service Club has become an active and important entry in this log.

Warrior Staff

The official publication of the U.S.S. Noll, known to all Nollites as "The Warrior," appears monthly with all the news events of Bishop Noll High School. It is a printed edition that is planned and composed by the Editorial Staff in conjunction with the reporters who seek all the information on coming events and review notable happenings of the recent past. The Warrior Staff consists of Juniors and Seniors who are intersted in journalism work.

Miss Gerhold, in her first year of teaching at Noll High, is the faculty sponsor of the paper. Audrey Benich was the Editor-in-Chief this past year and was aided by Mary Kay Mehan as Assistant Editor and Aurelia Duralski as News Editor.

Seated: M. Deakin, M. K. Mehan, A. Benich, A. Duralski. Standing: T. Seroczynski, P. Hoffman, J. Habrych, P. Lehman, Miss Gerhold, P. Duralski, B. Kramer, P. Moylan, J. Mason, J. Hudspeth.

Marquette Staff

The yearbook of any school should be a permanent record of the faculty and student body, the athletic and extra-curricular activities, and the notable events of the current school year. That is no small order, and it is the task of the Marquette Staff to compile, edit, and produce the yearbook of Noll High School.

Members of the Staff are chosen exclusively from members of the Senior class who volunteer their services. Judy Mellon and Richard Pietranczyk were co-editors of the 1956 Marquette, and Father Seimetz was the Faculty advisor. Special thanks are due to Father Back and Stanley Nawrocki for the many hours they spent on photographic work for this year's annual.

Stamp Club

Now in its second year of existence at Noll, the Bishop Noll High School Philatelic Club has continued its energetic pursuit of knowledge through the world of stamps under the direction of Sister Clarellen, the school librarian. The stamp collectors are led by John Popp as president, Joe Vamos as vice-president, and Bill Napiwocki as secretary-treasurer.

Sunday School Teachers

Devoted to instructing the grade school children of St. Margaret Mary's Parish in their Catholic Faith, this small band of zealous workers holds Sunday School classes weekly each Sunday after the eight o'clock Mass in the Parish Rectory. Guided by Sister Francis de Sales, they have won the hearts and souls of the children of the parish to a greater knowledge, love, and service of God.

C.S.M.C. Vice-Presidents

The Catholic Students Mission Crusade is a Pontifical Society organized for young Catholic American High School Students who are willing to contribute to the spirit of a Christian way of life. They try to accomplish this through prayer, study, and personal sacrifice.

The Noll unit of the C.S.M.C. is one of the most active of student clubs. Besides weekly monetary collections for the missions, the group also attempts to nourish the spiritual life of other students at Noll and to instill in them an interest and love for their less fortunate neighbors.

First Friday is a busy day for the Crusaders. It is opened with a program over the public address system and is climaxed with a holy hour at St. Margaret Mary's Church at the end of the school day. Other activities of the C.S.M.C. include the October Rosary Devotions, the May Crowning, the Annual Date Dance, and the "adoption" of needy families at Christmas-time.

C.S.M.C. Study Club Officers

The C.S.M.C. also sponsors mission study clubs in order to help interested students increase their knowledge and appreciation of Catholic Missions throughout the world. Members are eagerly anticipating the National C.S.M.C. Convention to be held in August at Notre Dame University in which they will participate and learn more about Catholic missions and their importance in today's world.

Sister Dolorine is the moderator of the Crusade, and student officers are: Marlene Bajda, president; Bill Napiwocki, vice-president; Martyna Rider, secretary; and Janice Kochis, treasurer.

S D S

"You show him you care by what you wear."

This slogan was the basis for the S. D. S. Club started at Noll High in 1953 by eleven girls who were then juniors and seniors. The club immediately became popular and is at present one of Noll's largest clubs. The purpose of the S. D. S. is twofold: first, to develop the desire for Christian modesty in clothing styles; and secondly, to urge manufactures by a greater demand for that type of clothing "to supply the demand for the supply."

Periodically during the school year style shows are presented by the members so that the student body may see that modest clothing is both attractive and stylish.

Sister Hortense is faculty sponsor of the club. Student officers are Martha Ward, president; Carol Klamm, secretary-treasurer; and a vice-president is elected as a representative for each class; Carol Blake for the seniors, Emily Bubala for the juniors, Anita Puchly for the sophomores, and Barbara Bieker for the freshmen.

Sister Hortense is the Faculty sponsor of the S. D. S. Club. Student officers are: (seated) Martha Ward, Carol Klamm; (standing) Carole Bucholz, Emily Bubala, Barbara Bieker.

The Bartered Bride

On Jan. 28, 29, and 31 the Senior Choral Club, under the direction of Father Melevage, presented "The Bartered Bride," an operetta composed by Bedrich Smetana. The operetta was first published in 1866 in Bohemia. Because of its charm and appeal it gradually found its way into twenty-three other languages, including English. It is filled with sparkling folk tunes, dances, and the wonderful common people with their worries and joys. The operetta is a real fantasy, close to the core of common aspirations. Beyond the echo of its present dances sounds an abiding conviction that living can be joyous and honest.

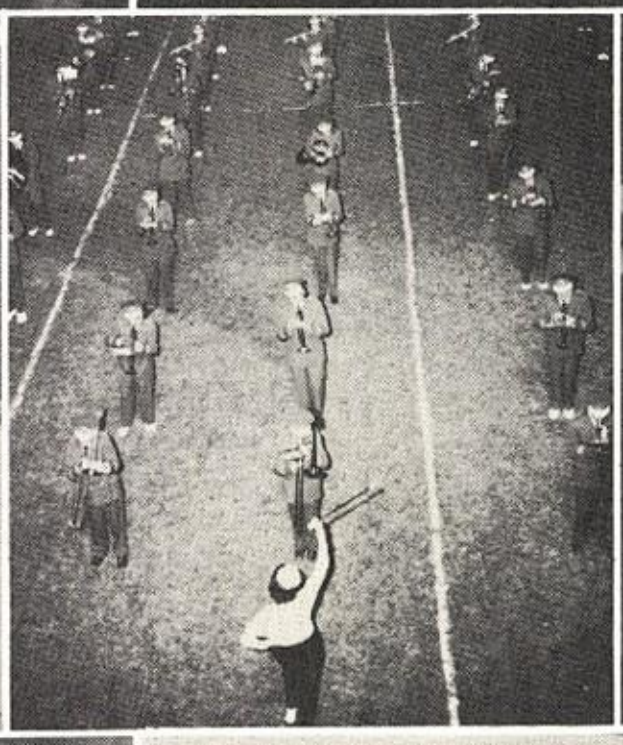
KEEP HAMMOND SNOW WHITE



THE STORY

The locale of "The Bartered Bride" is a small Bohemian village where the villagers are about to celebrate the feast day of their Patron Saint. As they sing of love and happiness, Marie and Jenik, two lovers, are unhappy because her parents have arranged for her marriage to Vashek, a nitwit and the son of the wealthy Micha.

Marie decides to remain true to Jenik. She secretly meets Vashek, who does not know her, and tells him that the girl to whom he is engaged is mean and loathsome and will most probably kill him. He becomes frightened and promises not to marry her.

Meanwhile Kezal, the crafty "marriage broker," anxious to collect his fee, tries to bribe Jenik to give up Marie. Jenik agrees on the condition that Marie marry no one but a son of Micha and that all her father's debts to Micha be thereby dissolved. Jenik secretly rejoices in the bargain, for he is Micha's son by a first marriage.

Before Jenik can inform Marie of the situation, Kezal, proud of his craftiness, reveals that Jenik has bartered Marie for three hundred gold pieces. Marie is broken-hearted and out of spite agrees to marry the nitwit Vashek who now awkwardly refuses for fear of being poisoned. The villagers all turn on Jenik for his apparent infidelity to Marie.

A company of traveling players comes to town to celebrate the village feast. At the gathering Micha and Hata come on the scene and recognize Jenik, their long lost son. Jenik's plan is now obvious: he gets the three hundred gold pieces and also Marie. The thwarted Kezal flees while the villagers ridicule and shame him. Micha blesses Jenik and Marie, the reunited lovers, and all rejoice in the wedding of the Bartered Bride.

So She Made A Novena

The Senior class presented two delightful one act comedies at the Whiting Community Center on the evening of November 22. Sister Edith directed "The Trysting Place", and Sister Rosalia directed "So She Made a Novena." Student director was Joan Knoerzer.

"So She Made a Novena" concerns Katie Bryan (Bobbie Peters), an old maid of thirty-four years, who has made two hundred and eight novenas to St. Joseph in search of a husband. Katie decides to leave home, and, in utter disgust with St. Joseph, throws his statue out of the window before she is about to leave. The answer to her prayers is in the person of John Michael Hurley (Bert Suter) whom the statue hit on the head and who appears for first aid. The play ends happily for Katie who discovers that St. Joseph can work in strange ways at times. Katie's bad disposition and Irish brogue and Olga, the maid with her refreshing Swedish accent, gave this play a flavor so typical of many human situations.

The Trysting Place

"The Trysting Place" is situated in the lobby of a summer resort hotel. It centers around Lancelot Briggs (Dennis Fus), a seventeen-year-old, who had been saying, "Yes 'm," to his domineering mother and sister all his life. In Mrs. Curtis, an attractive widow and guest of the hotel, Lancelot envisions the love of his life. His mother and sister, though carrying on their own secret love affairs, attempt to put an end to Lancelot's infatuation. Their efforts are useless, for Mrs. Curtis has her own secret interests in the "mysterious voice." "The Trysting Place," moving from one couple to another, was a fast moving comedy, and prominent suspense added the final touch to the climax.

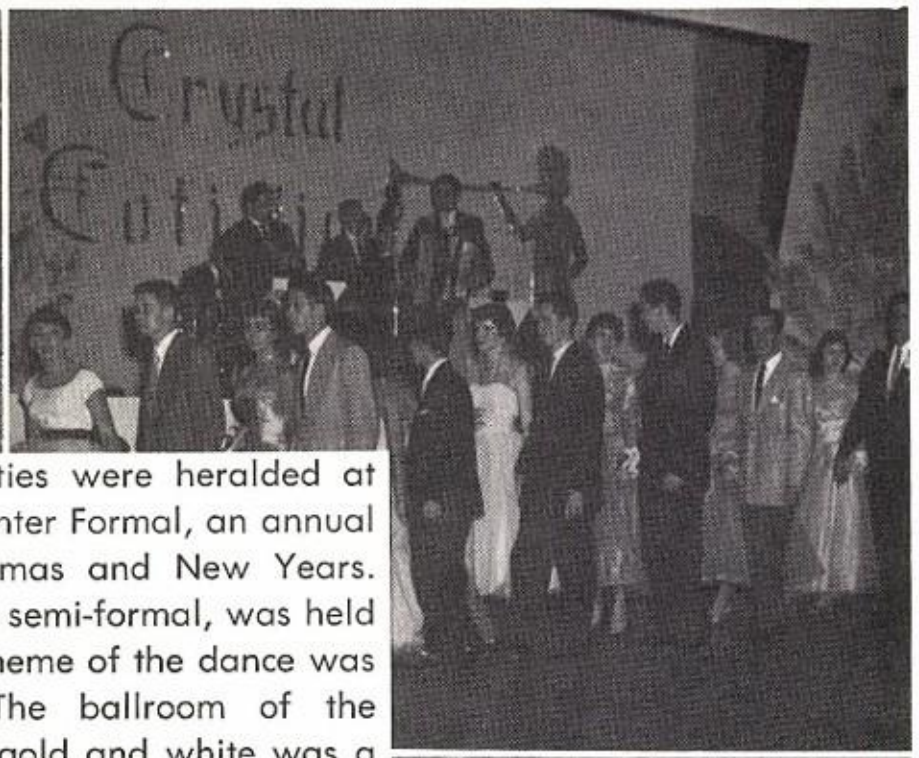
Winter Formal Held Dec. 30



The holiday festivities were heralded at Noll High with the Winter Formal, an annual event between Christmas and New Years. This year the dance, a semi-formal, was held Friday, Dec. 30. The theme of the dance was "Crystal Cotillion." The ballroom of the "castle" decorated in gold and white was a beautiful background for Earl Ratz and his quartet and the capacity crowd. The evening was thoroughly enjoyed by all the students attending, as well as the many former Nollites who used the opportunity to renew friendships with former class mates.
